PRINTED KRAFT ENVELOPES
VIRGIN STATEWIDE CONTRACT
SPECIAL CONDITIONS

1. PUBLIC PRINTING LAW: The contract resulting from this solicitation shall be subject to the provisions of R.S. 43:1 et seq.
2. PREVIOUS USAGE: The usage estimates provided in the specifications are based on the best information available to State Purchasing for usage of various printing items during the most recent available contract year. These previous usage figures in no way represent a commitment by the State as to the amount of printing to be done during the upcoming contract period, but are provided solely for the bidder's information.
3. BASIS OF AWARD: It is the State's intent to solicit pricing in two (2) categories: Category A: Kraft envelope made of virgin paper and Category B: Kraft envelopes made of a minimum 20% post-consumer recovered fiber. The state reserves the right to award this contract to the lowest overall bidder in each category type. The state reserves the right to delete line items as well as categories from the award.
4. BASE PRICE: The base price per thousand for each item is to include the envelopes, all cost involved in printing on one side in one color ink (including typesetting of corner card), standard packaging and one shipment to one locations.
5. QUANTITY BRACKET PRICING: Where prices are solicited on a from/to basis, the State of Louisiana expects and will only accept progressively lower prices for each increasing quantity or quantity range specified. If quoted otherwise, the State of Louisiana reserves the right to reject any non-descending price and to award the bidders best bracket price for all remaining quantities.

For example, bidder quotes \$10 for 1M-50M, \$9.50 for 51M-100M and \$9.95 for 101M and over. The State of Louisiana would reject the \$9.95 for 101M and over, and would award \$9.50 for all order quantities for 51M and over.

Further, the State of Louisiana reserves the right to solicit open market bids on order quantities greater than 200M or may opt to utilize the best quantity contract price.

6. SUBLETTING CONTRACT: The Contractor shall be held responsible for the work of any sub-contractor (s) and shall see that the work is done without unnecessary delay in a good workmanlike manner, and that all unnecessary priority over other work is given. The contractor shall not be relieved of any obligation to the State of Louisiana by any subletting of a contract in whole or in part to another.
7. QUALITY OF WORKMANSHIP AND STOCK: Representative of the State shall have access to the Contractor's plant at any time during working hours to inspect work in process. However, such inspection shall not relieve the Contractor from any responsibility under this agreement for material workmanship found defective after delivery.

The State Director of Purchasing may require a status report at any time of work in progress and orders on hand.

All articles furnished and work done must be of a first class quality. The use of poor type, poor

presswork or the use of a different color ink than that ordered, inferior binding, inferior quality or mis-matched paper stock, a lesser grade of paper than that ordered, or any other discrepancies will be sufficient cause for the rejection of the work and for refusal of payment thereof.

The Contractor must at all times be able to furnish within a reasonable period of time those supplies named in the specifications unless a substitute is approved by State purchasing. If any different kind is substituted, the quality shall be equal and the prices shall not exceed that named for similar articles in the specifications.

Substitutions made without the approval of the State Director of Purchasing will be grounds for non-payment for that particular job.

In printing, the proof shall be read by original copy and corrected in the establishment of the Contractor. All typeset material is to be free from printer's errors. A "clean" proof is to be furnished to the department, board or institution ordering the printing. **Proofs will be submitted upon request only.** All copy and proof sheets shall be held by the contractor for sixty (60) days after the job has been completed and delivered, and the invoice rendered to the state agency for payment.

8. **RELEASE ORDERS:** All administrative boards, commissions, departments, agencies, institutions, and offices within the Executive Branch of State Government shall issue contract release orders for all items available through this contract. The Contractor is not authorized to produce a job without first having obtained a written order from the State Agency.
9. **DELIVERY:** By accepting a contract for printing, binding, engraving or lithographing, the contractor agrees to complete the work and deliver the goods as specified promptly, satisfactorily and without unnecessary delay. The contractor will give said work the necessary priority over other work to assure timely delivery.

Note: Reference Printed Kraft Envelopes section, Specifications, V, "Time of Delivery", for delivery schedules(s).

10. **INVOICES:** Invoices will be submitted by the contractor to the using agency, and invoice shall refer to the delivery ticket number, delivery date, purchase release order number, quantity, unit price and delivery point. A separate invoice for each order delivered and accepted shall be submitted by the contractor in duplicate directly to the accounting department of the using agency. Invoices shall show the amount of any cash discount and shall be submitted on the contractor's own invoice form.
11. **PAYMENT:** State agencies are directed to pay contractor upon presentation of properly executed invoice after goods have been received, inspected and accepted. The user agency will be required to pay the amount of the invoice within thirty (30) days after its receipt. Such price and payment will constitute full compensation of furnishing and delivering the contract commodities. In no case will the state agency refuse to make partial payments to contractor, provided proper invoices have been furnished and approved, although all items have not been delivered. This payment in no way relieves the contractor of his responsibility to effect shipment of the balance of the order.
12. **CANCELLATION OF CONTRACT FOR CONVIENCE:** The Division of Administration reserves the right to cancel the contract with contractor upon thirty (30) days written notice.
13. **RESERVATIONS:** The right shall be reserved by the Director of State Purchasing for all State departments, Boards, and Commissions, and any other State Agency to which this contract applies to use state facilities for printing and similar work rather than purchasing under contract.

14. **NEGATIVES:** All art, color separations, film, negatives, tapes, floppy disks, special plates and dies are to become the property of the State of Louisiana. The contractor will be responsible for storing all negatives, artwork, etc. for this contract in one location, separate from all other work, and maintaining a written inventory of such materials. Upon award of contract to a new contractor, the previous contractor will be required to immediately furnish the written inventory of all negatives, artwork, etc.

Two copies of the inventory listing shall be provided: one (1) is to be furnished to the new contractor along with all negatives, artwork, etc. listed, and one (1) mailed to the Office of State Purchasing. Any freight charges incurred are to be paid for by the contractor providing the negatives. The contractor will be required to furnish written verification that all items listed were received.

When negatives are sent to another location they are to remain stripped in flats when shipping to the designated location. The contractor will not dispose of any negatives or material without obtaining written approval from the user agency and furnishing a copy of this approval to the Office of State Purchasing. If at any time the contractor cannot provide the negatives, material, etc. or proof that these items were returned, he will be required to remake them at his expense.

15. **OVERRUNS AND UNDERRUNS:** Underruns or overruns exceeding the following percentages will not be accepted:

Order quantity:

1,000	to	50,000	-	10%
50,001	to	100,000	-	8%
100,001	to	300,000	-	4%

16. **NON-EXCLUSIVITY CLAUSE:** This agreement is non-exclusive and shall not in any way preclude state agencies from entering into similar agreements and/or arrangements with other vendors or from acquiring similar services from other sources.
17. **USAGE:** Approximately four (4) months prior to the end of the contract period, vendor is to be prepared to submit to the Office of State Purchasing a contract usage report including a summary by line item with quantity purchased and total value of each line item. Vendor may submit a computer generated report.
18. **SAMPLES:** Bidders may be required to submit samples of work similar to this category of printing to demonstrate their ability to perform the contract at the quality standard desired. If requested, the samples must be furnished within three (3) working days. Failure to submit samples in the required time may be cause, at the discretion of the Director of Purchasing, or his designee, to disqualify from award.

Packages should be clearly labeled with the file number. Each individual sample within the package must be clearly labeled with bidder's name, manufacturer's brand name and number, file number and item reference. Submit only one bid proposal's samples per box. Samples of successful bidder will be retained at the purchasing office or the using agency for the purpose of receiving merchandise. Any part of merchandise received that does not meet the quality standards and construction of the sample will be rejected and returned at vendor's expense. Any samples received, if not destroyed in testing, may be returned at the bidder's expense. Request for return, shipping authorization, and sufficient return postage must be received no later than 10 days after receipt of samples, or commodities shall be disposed of by the State of Louisiana.

19. AUDITING: The Division of Administration, State Purchasing Office reserves the right to audit jobs produced under this contract. If required, at least once a month, the contractor, shall provide two (2) copies of the agency's written authorization form, billing worksheet, invoice and complete samples of the job to be audited. Contractor shall therefore be required to retain all information, including samples pertaining to each job produced within the most recent, previous 12-month period. Failure to provide the requested material may be grounds for cancellation of the contract. Detailed instructions will be given to successful vendor.
