

Alphabetical List of Contracts by Title and T Number

You can do a "string search" by pressing Ctrl-f to do a Find. Enter any portion of the record you are searching and it will go to the record below containing a matching string.

To view contracts associated with any of the T-numbers listed, click on the T-number and you will be taken to LA eCAT search, where you can enter the T-number in the T-number field, click "Find it" and the contract(s) will be shown. Or you can copy and paste the T-number into the T-number field in LA eCAT. If a specialized website is tied to your contract selection, in lieu of linking to LA eCAT, you will be directly linked to the associated web address.
