# Executive Orders

## Executive Order EWE-80-1

WHEREAS, Julian and Abe Saenger, whose chain of more than three hundred theatres once spread throughout the South, were eminent and distinguished citizens and residents of Shreveport and nationally recognized leaders in the entertainment industry; and

WHEREAS, these philanthropic and civic-minded citizens, in concert with Simon and Harry Ehrlich, constructed in the year 1925 the Strand Theatre which became the Flagship of their widespread amusement empire; and

WHEREAS, the Strand, for more than half a century, has been a revered and treasured entertainment facility now specially honored by its listing in the National Register of Historic Places; and

WHEREAS, in addition, it has been fittingly designated by a Louisiana Historical Marker thereby commemorating its place in history as well as its architectural grace, style and beauty; and

WHEREAS, community-minded citizens and civic leaders of this area have formed the Strand Theatre of Shreveport Corporation, with the concurrent commitment to restore and operate the Strand as a cultural center for the performing arts, thus making entertainment of superior quality available to all Louisianians as well as to citizens of adjacent states and at the same time affording limitless opportunities for performing artists of Louisiana; and

WHEREAS, this historic and unique structure will contribute to and enhance the cultural identity of Louisiana, preserve the charm and grace of days gone by and provide for future entertainment programs of excellence for the entire area and state;

NOW, THEREFORE, I, EDWIN EDWARDS, Governor of Louisiana, by virtue of the authority vested in me, hereby enthusiastically order, designate and proclaim the Strand Theatre of Shreveport to be **The State Theatre of Louisiana**, and, as such, to be used, conducted and operated by the Strand Theatre of Shreveport Corporation for the cultural benefit of the people of Louisiana.

IN WITNESS WHEREOF, I have hereunto set my hand officially and caused to be affixed the Great Seal of the State of Louisiana, at the Capitol, in the City of Baton Rouge, on this 26th day of February, 1980, A.D.

Edwin Edwards  
Governor of Louisiana

## EXECUTIVE ORDER EWE-80-2

**Request to the Louisiana Public Facilities Authority to Proceed With the Development and Implementation of a Program in Louisiana for the Financing of Student Loans Insured or Guaranteed Pursuant to the Higher Education Act of 1965, as Amended.**

WHEREAS, it is in the public interest and in furtherance of the general welfare of the citizens of Louisiana to promote the higher education of Louisiana students; and

WHEREAS, there continues to exist in Louisiana an underdevelopment of the State's human talent and resources because of the inability of many able but needy students to finance a higher educational program; and

WHEREAS, financial assistance is often necessary if Louisiana students are to achieve their education goals and be able to finance a higher educational program; and

WHEREAS, such financial assistance will better enable the State to achieve its full economic and social potential by assisting each individual to contribute to the full extent of his capabilities by removing financial barriers to his educational goals that may exist after an individual has utilized all resources and work opportunities available to him; and

WHEREAS, the Congress of the United States has provided in the Higher Education Act of 1965, as amended, for the guarantee of certain student loans; and

WHEREAS, Louisiana lending institutions must have access to secondary markets for such loans in order to meet the student needs for financial assistance for higher education programs; and

WHEREAS, it is my request that the State of Louisiana should obtain the full benefit of the Higher Education Act of 1965, as amended, for the benefit of Louisiana students;

THEREFORE, I do hereby request that the Louisiana Public Facilities Authority, a public trust created pursuant to the Louisiana Public Trust Act, R.S. 9:2341-9:2347, as amended, proceed immediately with the development and implementation of a program to make, purchase and/or otherwise finance student loan notes insured or guaranteed under the Higher Education Act of 1965, as amended, in sufficient volume to provide adequate loan availability for Louisiana students.

The Louisiana Public Facilities Authority is hereby requested and authorized to establish the necessary relationships with the federal government, the Governor's Special Commission on Educational Services, Louisiana financial institutions and institutions of education to fulfill the intent of the Higher Education Act of 1965, as amended, in the best interest of the students of Louisiana.

This request is made with the understanding that the Louisiana Public Facilities Authority must meet the requirements of federal law and applicable regulations as well as state statutes and regulations. It may be revoked upon a thirty-day written notice except that such revocation must be made in good faith, and adequate financial arrangements must be made to insure the proper continuation of coverage for outstanding loans and compliance with all obligations of the Louisiana Public Facilities Authority to its bondholders.

The State of Louisiana will assume no liability as a result of this request. All debts and liabilities resulting from this program shall be the sole responsibility of the Louisiana Public Facilities Authority. All reserve funds of the Louisiana Public Facilities Authority will be maintained in Louisiana financial institutions subject to audit and inspection according to federal standards. All funds of the Louisiana Public Facilities Authority shall be used only in furtherance of its authorized public purposes.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Louisiana at Baton Rouge, the Capital, the 26th day of February, in the year of our Lord nineteen hundred eighty, and of the Independence of the United States of America the two hundred third.

Edwin Edwards  
Governor of Louisiana

## EXECUTIVE ORDER EWE 80-3

WHEREAS, the cypress trees growing in the state-controlled waterways of Louisiana symbolize the natural beauty of our state and serve as a reminder of our state's heritage; and

WHEREAS, such cypress trees are the result of a natural process of growth which cannot be duplicated by man, and once cut, such trees are forever lost; and

WHEREAS, evidence exists of wanton and deliberate destruction of these cypress trees in the distant and recent past, and expectations are that more destruction can be anticipated unless action is taken to preserve these native trees; and

WHEREAS, it is in the best interests of the people of the state and the future generations of Louisianians to preserve the natural beauty of our state by protecting the cypress trees growing in our state's waterways.

NOW, THEREFORE, I, EDWIN EDWARDS, Governor of the State of Louisiana, by virtue of the power vested in me, pursuant to the Constitution and applicable statutes of the State of Louisiana, and not withstanding any claims of the federal government, individuals, or any corporate entity, do hereby claim the cypress trees growing in the state-controlled waterways of Louisiana for the people of the state of Louisiana and for their heirs forever.

FURTHERMORE, in order to protect such cypress trees from further destruction or harm, I hereby order the Department of Natural Resources, the Department of Wildlife and Fisheries, and all the officers and agents thereof to use all the resources available to them to protect and preserve the cypress trees growing in the state-controlled waterways of Louisiana; to strictly prohibit the cutting or other intentional destruction of such trees except when such action is necessary to remove real or potential threats to human life or health or when such action must be taken to otherwise protect the public's interest; and to draft and approve rules and regulations necessary to ensure the protection of such cypress trees.

FURTHERMORE, for purposes of this order, state-controlled waterways are defined as lakes, streams, rivers, bayous, and all other navigable waterways, both natural and man-made, on which public domain has been established historically, by law, or by the courts, and especially, those waterways contained in all fish and game preserves established in and by the state of Louisiana for its residents.

FURTHERMORE, that I hereby urge the people of Louisiana to aid in the protection and preservation of the cypress trees on our state's waterways.

FURTHERMORE, I hereby urge the Legislature of Louisiana to carefully consider what the loss of these cypress trees would mean to the state and to enact legislation designed to protect this natural resource of the state.

IN WITNESS WHEREOF, I have hereunto set my hand officially and caused to be affixed the Great Seal of the State of Louisiana, at the Capitol, in the City of Baton Rouge, on this the 5th day of March, A.D., 1980.

Edwin Edwards  
Governor of Louisiana

# Emergency Rules

## DECLARATION OF EMERGENCY

### Board of Trustees for State Colleges and Universities

At its meeting on February 22, 1980, the Board of Trustees for State Colleges and Universities adopted the following rule, effective immediately:

The Policies and Procedures Manual of the Board of Trustees for State Colleges and Universities, Part VII, Section 7.7 is changed to read as follows:

### Section 7.7 Patent Policy.

A. The Board of Trustees for State Colleges and Universities System of the State of Louisiana, hereinafter referred to as the Board of Trustees System, expects and encourages creative productivity on the part of employees of the Board of Trustees System. The Board of Trustees System recognizes its responsibility to assist and protect the developer, to assist the universities under its jurisdiction in matters pertaining to patents, to protect the interests of the public, and to protect the interests of financial sponsors of the project other than the Board of Trustees System.

B. Inventions resulting from work carried on by, or under the direction of, University System personnel, supported, in whole or in part, by funds under control of the System, or involving University System facilities should be used and controlled to produce the greatest benefit to the Board of Trustees System and the public. The Board of Trustees System reserves the right to acquire and retain legal title to any such inventions, and any employee responsible for such invention shall, upon the request of the Board of Trustees System assign all rights, title and interest to the Board of Trustees System. The Board of Trustees System may apply for a patent in its own name or the evaluation of invention and application for patents may be made by contractual arrangement or assignment, as approved by the Board of Trustees System. If the Board of Trustees System declines to pursue a patent application, it may release its rights to the inventor. The Board of Trustees System respects and recognizes the right of sponsors of research and development to the title of such invention as may arise from projects sponsored by them in conformance with the policy, explicitly stated contractual agreements covering such sponsorship, and applicable law.

C. In the event royalties are generated by any patent assigned to the Board of Trustees System, an appropriate share of such royalties shall be paid to the inventor. The inventor's share shall be determined by the following:

1. In cases where the Board of Trustees System assigns such patent rights to the Research Corporation, the share of royalties to be paid to the inventor shall be governed by the terms of the contract between the Board of Trustees System and the Research Corporation.

2. In cases where the invention is covered by a contractual agreement with a sponsoring agency, the financial arrangements shall be in accordance with that contractual agreement. In cases of sponsorship by federal agencies, compliance with the appropriate federal regulations shall be effected in ultimate agreement.

3. In cases where the Board of Trustees System obtains ownership of a patent directly and expends funds to develop and market the invention, any royalties generated will be first used to cover the expenses of obtaining and exploiting the patent. After this outlay, the inventor's share shall be 33 1/3% of the net royalties with the remaining share going to the Board of Trustees System.

4. Net royalties on patents available to the Board of Trustees System shall be used for research, development and other scholarly activities and allocated 100% to the university campus where the patent originated.

D. The Board of Trustees System authorizes each university to establish a university patent committee appointed by the President and assigned tasks relating to patent matters as determined by the university administration.

E. As an alternative to licensing, an outright assignment of a patent in return for a specified consideration, lump sum or deferred, may be considered.

This was taken as emergency action because there are persons in the employ of some of the Universities under the Board of Trustees who are in a position to apply for patents in the near future, and the Board wished to allow them the benefit of this revised policy. This action was taken in accordance with the

emergency provisions of the Administrative Procedures Act and under the authority of Article VII, Section 6 of the 1974 Constitution.

Bill Junkin, Executive Director  
Board of Trustees for State Colleges and Universities

**DECLARATION OF EMERGENCY**

**Department of Health and Human Resources  
Office of Family Security**

The Department of Health and Human Resources, Office of Family Security, does hereby exercise the emergency provision of the Administrative Procedures Act (R.S. 49:953 B) to adopt effective April 1, 1980, the following revision in the definition of a resident of the state as it relates to the Aid to Families with Dependent Children (AFDC) Program and the Title XIX, Medical Assistance Program. These revisions are mandated by federal regulations as specified in the Federal Register, Volume 44, Number 138, Tuesday, July 17, 1979, pages 41434 and 41459. Adoption of these revisions on an emergency basis is necessary in order to comply with the federal regulations.

**Residence Requirements  
for AFDC Eligibility**

1. A person who is living in the state voluntarily with the intention of making his home there and not for a temporary purpose, or with respect to a child, the state in which he is living other than on a temporary basis; or, alternatively,

2. A person who is living in the state, is not receiving assistance from another state, and entered the state with a job commitment or seeking employment in the state (whether or not he or she is currently employed). A child living with a caretaker who qualifies under this definition is a resident of the state in which the caretaker is a resident.

Residence is retained until abandoned, and temporary absence, with subsequent returns to the state or intent to return when the purposes of the absence have been accomplished, does not interrupt continuity of residence.

**Residence Requirements for Title XIX,  
Medicaid Eligibility**

Residence requirements as outlined below shall be applied in determining the state of residence for an applicant or recipient of Title XIX (Medicaid) benefits:

**A. State Residence of Individuals Under Age 21.**

1. For a recipient of state supplementation, the state of residence is the state making the payment

**2. Non-institutionalized Individuals.**

a. For an individual receiving SSI benefits, the state of residence is the state in which the recipient is physically present.

b. For any other non-institutionalized individual, the state of residence is subject to categorical eligibility requirements.

**3. Institutionalized Individuals.**

a. For an individual placed by a state, the state of residence is the state which makes the placement. For Louisiana, this includes children placed by the Division of Evaluation and Services under the Foster Care Program and the former ECA Program. (Former ECA children must be SSI recipients to be eligible for Medicaid.) Institutionalized applies to individuals in Title XIX, Long Term Care facilities.

b. For an individual placed privately, the state of residence is the state of the parent(s) or legal guardian. (If only one parent

applies on behalf of the child, the state of residence is the state of the parent who applies; if there is no parent or legal guardian, the state of residence is the state where the child is institutionalized.)

**B. State Residence of Individuals Age 21 or Older.**

1. For a recipient of State Supplementation, the state of residence is the state making the payment.

2. For non-institutionalized individuals, the state of residence is the state in which the individual is physically present (unless he indicates otherwise).

**3. Institutionalized Individuals**

a. For an individual capable of stating intent, the state of residence is the state in which the individual is physically present with intent to remain.

b. For an individual who became incapable of stating intent before age 21 and there is no curator or legal guardian, the state of residence is determined as in A. 3. above.

c. For an individual who became incapable of stating intent at or after age 21, the state of residence is the state where he was living when he became incapable of stating intent. If this cannot be determined, the state of residence is the state where the individual was living when he was first determined incapable of indicating intent. When it is not possible to determine where an individual was living when he became incapable of stating intent, he shall be considered a resident of Louisiana.

**C. Criteria for Individuals Incapable of Stating Intent.**

An individual is considered incapable of stating intent if:

1. His I.Q. is 49 or less; or

2. He is judged mentally incompetent; or

3. Medical Reports or other information available support the fact that he is incapable of stating intent.

**D. Currently Certified Recipients.**

Until October 15, 1981, Louisiana will remain responsible for providing Title XIX, Medicaid coverage to any currently institutionalized recipient unless an interstate agreement is arranged with the new state of residence to assume Title XIX responsibility for the needed service at an earlier date. This "grandfather provision" is to protect the individual who would lose needed services as a result of his residency being changed and the new state of Title XIX responsibility will not make out-of-state payments for the service.

The Medical Assistance and Assistance Payments Programs in the state office will co-ordinate on the referred cases and correspond with other states to work out an agreement of their acceptance of Title XIX responsibility.

**E. New and Pending Applications.**

Applications opened on or after April 1, 1980, shall be rejected if the applicant does not meet residence requirements for Louisiana. A letter shall be sent to the state agency in the state of current Title XIX residence.

William A. Cherry, M.D., Secretary  
Department of Health and Human Resources

**DECLARATION OF EMERGENCY**

**Department of Natural Resources  
Office of Conservation**

Effective February 29, 1980, the Department of Natural Resources, Office of Conservation, has exercised those powers conferred by the emergency provisions of the Administrative Procedures Act, R.S. 49:953B, to adopt the following amendment to its Pipeline Division Regulation 14. Article IX, Section 2(B) of the Louisiana Constitution of 1974 and Louisiana Act No. 732 of

1979 are presently being challenged by several parties in the Federal District Court in Baton Rouge and motions for a preliminary injunction enjoining the administration, enforcement, and implementation of the constitution and the statute have been filed in that suit. On the advice of the Attorney General of the State of Louisiana that the proposed amendment would avert the threatened injunction against enforcement of all provisions of R.S. 30:607 and Regulation 14 for 120 days, including the provisions of R.S. 30:607C(3), the Commissioner of Conservation finds that this proposed amendment is necessary to protect the health, safety and welfare of the citizens of the State of Louisiana. This regulation is authorized by R. S. 30:607D:

I.

4. In recognition of a temporary emergency, the requirements of R.S. 30:607C (1) and (2) and paragraph D. of this regulation and all other requirements related thereto are suspended for a maximum period of 120 days beginning February 29, 1980. All other provisions of R.S. 30:607 and this regulation shall remain in full force and effect. This suspension shall not affect rollover contracts for intrastate natural gas which terminate during this period of suspension.

5. The suspension of paragraph D of this regulation may be lifted by the Commissioner before the end of the suspension period in the event such action is deemed necessary, with a proper showing of necessity by the Commissioner, to protect the health, safety and welfare of the citizens of the State of Louisiana.

R. T. Sutton, Commissioner of Conservation  
Office of Conservation

# Rules

## RULE

### Department of Agriculture Dairy Stabilization Board

11.1 The volume discounts herein established shall remain in effect unless modified, amended, or repealed by the Board.

11.2 Licensed processors and licensed distributors are hereby authorized to give volume discounts to qualified licensed nonprocessing retailers in accordance with the following discount schedules.

Fluid Milk Products Average Monthly Purchases From All Suppliers	Volume Discount Rate
\$1,000.00 to \$1,500.00	3%
\$1,500.01 to \$2,500.00	4%
\$2,500.01 to \$3,500.00	5%
\$3,500.01 to \$4,500.00	6%
\$4,500.01 and over	7%

Frozen Dessert Products Annual Purchases From All Suppliers	Volume Discount Rate
\$ 4,000.00 - \$ 6,000.00	3%
\$ 6,000.01 - \$ 8,000.00	4%
\$ 8,000.01 - \$11,000.00	5%
\$11,000.01 - \$15,000.00	6%
\$15,000.01 - and over	7%

11.3 Any nonprocessing retailer desiring to be declared eligible by the Board for a volume discount shall submit an application on a form to be supplied by the Board which application shall contain among other things the average monthly purchases of fluid milk products and/or the annual purchases of frozen dessert products which application shall be subject to verification by the Board.

The Board shall publish a list of qualified nonprocessing retailers showing the rate of volume discount for which each nonprocessing retailer is qualified under this regulation.

11.4 Average monthly purchases for fluid milk products shall be determined in the following manner:

A. Average monthly purchases shall be computed by totaling the value of fluid milk products purchased by the nonprocessing retailer from each supplier during the months of August, September, and October, and dividing the total by three.

If the nonprocessing retailer has not operated during the months of August, September, and October, then said applicant shall select any one single month and the total value of fluid milk products purchased by the nonprocessing retailer from all suppliers during that month shall be deemed as the nonprocessing retailer's average monthly purchases until such time as the nonprocessing retailer's business has operated during the months of August, September, and October, at which time the nonprocessing retailer's average monthly purchases shall be computed in the same manner as prescribed in the preceding sentence.

The effective date of the nonprocessing retailer's eligibility to receive a volume discount of fluid milk products shall be the first day of the month in which the application is submitted unless another date is specifically authorized by the Director.

B. Annual purchases of frozen dessert products shall be computed by totaling the value of all frozen dessert products purchased by the nonprocessing retailer from each supplier during the twelve month period of October 1 through September 30.

If the applicant has not operated during the entire twelve month period of October 1 through September 30 then said nonprocessing retailer shall use the first twelve months of operation as the annual purchases of frozen dessert products.

The effective date of the nonprocessing retailer's eligibility to receive a volume discount on frozen dessert products shall be the first day of the first month of the twelve month period comprising the annual purchases.

11.5 If any nonprocessing retailer desires the Board to authorize a change in the volume discount rate for fluid milk products or frozen dessert products said retailer should submit an application in the same manner as that described in 11.4.

The effective date of all changes in volume discount eligibility shall be the first day of the month in which the application for change is submitted unless another day is specifically authorized by the Director.

11.6 Any discounts granted by licensed processors or licensed distributors or any discount received by any nonprocessing retailer other than those allowed herein shall be presumed as discriminatory in nature, and as such each shall constitute an unfair trade practice.

C. James Gelpi, Director-Attorney  
Dairy Stabilization Board

## RULE

### Department of Agriculture Livestock Sanitary Board

The Department of Agriculture, the Livestock Sanitary Board, has amended Regulation 2, Governing the Admittance of Livestock to Fairs, Livestock Shows, Breeders' Association Sales, Rodeos and Racetracks, Section 5, paragraph 2, and Regulation 28, Governing Equine Infectious Anemia, Section 1, Subsection 2, Paragraph 3, removing those parts which state that horses reacting positively to the Coggins test may be identified by picture and requiring instead identification by hot brand, cold brand, freeze brand or tattoo "72A." The texts of the amended portions of Regulations 2 and 28 follow:

Regulation 2—Horses reacting to the Coggins Test within the state will be identified by regulatory personnel by hot brand, cold brand, freeze brand, or tattoo "72A." Positive horses will be rebled upon request by state-employed veterinarians and samples submitted to the laboratory for reconfirmation.

Regulation 28—Horses reacting to the Coggins Test within the state will be identified by regulatory personnel by hot brand or tattoo "72A." Positive horses will be rebled upon request, by state-employed veterinarians and samples submitted to the laboratory for re-confirmation, as required in Regulation 2, Section 5, Paragraphs 4 and 5.

Forrest E. Henderson, D.V.M.  
State Veterinarian

## RULES

### Department of Culture, Recreation and Tourism Office of Program Development Division of Archaeology and Historic Preservation

The following rules governing the State Capitol Historic District, pursuant to Act No. 650 of the 1979 Louisiana Legislature, are hereby adopted:

I. Interpretation of Provisions of Act No. 650 of the 1979 Louisiana Legislature.

A. Existing structures within the State Capitol Historic District: All alterations, additions or renovations, both interior and exterior, shall be determined in the professional judgment of the Division of Archaeology and Historic Preservation to be in conformance with the recommendations published in The Secretary of the Interior's Standards for Historic Preservation Projects with Guidelines for Applying the Standards before a certificate of appropriateness can be issued.

B. New structures or new construction within the State Capitol Historic District: All plans for the exterior of new structures or for the exterior of new construction of any type must be determined, in the professional judgment of the Division of Archaeology and Historic Preservation, to be compatible with and sympathetic to the historic and cultural character of the district, before a certificate of appropriateness can be issued.

C. Landscaping within the district: All and any alteration to the existing grounds of the district must be found, in the professional judgment of the Division of Archaeology and Historic Preservation, to be compatible with, and sympathetic to the historic and cultural character of the district, before a certificate of appropriateness can be issued.

D. Furnishings, furniture and art objects of historic significance located within the district: All interior furnishings, furniture and art objects of historic significance must be found, in the professional judgment of the Division of Archaeology and Historic Preserva-

tion, to be used, repaired, restored, or altered in sympathy to each item's artistic, historic, or cultural integrity and value. Standard and current professional reference works will be used by the Division of Archaeology and Historic Preservation to make recommendations and decisions before a certificate of appropriateness can be issued.

E. Archaeology within the district: All or any excavation or moving of earth, rock or subsoil or rearrangement of the grounds within the district shall be done in a manner which, in the professional judgment of the Division of Archaeology and Historic Preservation, is compatible with and sympathetic to a policy of preservation of historical and archaeological cultural resources before a certificate of appropriateness can be issued.

#### II. Procedure.

A. All applications for certificates of appropriateness shall be due in the Division of Archaeology and Historic Preservation, Box 44247, Baton Rouge, Louisiana 70804, 504/342-6682, on or before the tenth day of each month, or the preceding working day if the tenth falls on a weekend or a holiday.

B. Notices of public hearings as required by R.S. 25:785 (C) shall appear in the official journal of the State of Louisiana on the last Wednesday of every month.

C. The public hearings required by R.S. 25:785 (C) shall be held on the first Wednesday of every month.

D. The decisions on the applications submitted to the Division of Archaeology and Historic Preservation shall be rendered within fourteen days of the date of the hearing at which the application has been reviewed, as required by R.S. 25:785(D).

#### III. Applications and Requirements.

The following items shall be provided to the Division of Archaeology and Historic Preservation as part of the application:

##### A. Building exteriors and landscaping.

1. Blue-line drawings.
2. Elevations.
3. Plans and specifications.
4. Complete, written description of the project.
5. Current photographs of affected features and sites.
6. Location within the district.

This provision applies to existing historic structures and sites within the district and in addition to any new construction in the district.

##### B. Building interiors of historic structures and furnishings, furniture and art objects of historic significance within the district.

1. Blue-line drawings of alterations if available.
2. Complete, written description of project to be undertaken with the area or the furnishings, furniture or art objects to be redesigned, renovated or altered clearly stated.
3. Current photographs of affected features.

J. Larry Crain, Ph.D., Secretary  
Department of Culture, Recreation and Tourism

## RULES

### Department of Culture, Recreation, and Tourism Office of the State Library

#### Rules & Regulations for Disbursement of State Aid Grants

I. Definitions—The following terms have the respective meanings ascribed to them, except in those instances where the context clearly indicates a different meaning:

A. "Parish library" means a library, established by a parish governing authority, as provided by law to serve all residents of the parish.
