Re: Minnesota Multistate Contracting Alliance for Pharmacy (MMCAP);
Medical Supply Contracts

The AmeriNet GPO contract is due to expire as of December 31, 2013. Those state entities that provide health care services and have a need for Pharmacy & Med Surge Supplies, may consider use of the MMCAP contracts. The State contract for Pharmacy is Morris & Dickson (408318). The Med Surge Contracts include the following: Cardinal Health (409727); McKesson (409728); Henry Schein (409729); Medline (409730); World Medical Government Solutions (409731).

Also in place for consideration and use are the NASPO Laboratory Equipment and Supplies Statewide Contracts: Fisher Laboratory Equipment and Supplies (408500) and the VWR Laboratory Equipment and Supplies Contract (408600). The Fisher and VWR contracts do not have special enrollment provisions, but use of the MMCAP contract does require the ordering agency to become a registered member with MMCAP.

The application can be found on the MMCAP website: www.mmcap.org. Click on "New Members Info"; then click on "MMCAP Application and Agreement". Please complete and execute the MMCAP Application and Agreement and submit to the state's MMCAP liaison as stated below:
