

Contracts by Title and T Number

You can do a "string search" by pressing Ctrl-f to do a Find. Enter any portion of the record you are searching and it will go to the record below containing a matching string.

To view contracts associated with any of the T-numbers listed, click on the T-number and you will be taken to [LA eCAT search](#), where you can enter the T-number in the T-number field, click "Find it" and the contract(s) will be shown. Or you can copy and paste the T-number into the T-number field in LA eCAT. If a specialized website is tied to your contract selection, in lieu of linking to LA eCAT, you will be directly linked to the associated web address. Contracts may also viewed on our [Featured Contracts](#) website.
