The goals of the Department of Veterans Affairs are:

- I. To provide the service programs of the Department with the administrative support personnel, assistance, and training necessary to carry out the efficient operation of their offices.
- II. To ensure that all potentially eligible persons are aware of benefits provided.
- III. To provide counseling and assistance for all servicemen, servicewomen, and their dependents, who feel they have a claim against the U.S. Department of Veterans Affairs, any branch of service, and any other federal agency.

- V. To ensure that all programs of education, job training, and flight schools are available to veterans and other eligible persons, and to ensure that these programs of education, job training and flight schools are approved in accordance with Title 38 U.S.C. for applicable GI Bill and Forever GI Bill Assistance as well as La R.S. Title 29 tuition assistance where eligible.

The department manages and operates the five (5) state veterans homes and five (5) state veterans cemeteries. The department also offers more than 70 parish service office and claims office locations, in which accredited Veterans Assistance Counselors (VAC) help veterans access all earned federal and state benefits. In addition, the department offers the following activities and programs:

Louisiana Veteran Honor Medals: The Louisiana Veterans Honor Medal was created by Act 695 of 2008 Louisiana Legislature. The intention is to recognize and honor all Louisiana veterans.

Louisiana Military Family Assistance (MFA) Fund: Act 151 of the 2005 Legislature provides for the establishment of the Louisiana MFA Fund under the state Department of Social Services. Act 676 of the 2008 Legislature changed the jurisdiction of the MFA Fund and MFA Board from the Department of Social Services to the Department of Veterans Affairs. The purpose of the MFA fund is to help families defray the costs of such necessities as food, housing and medical services that become difficult to afford when a wage earner has temporarily left civilian employment to be placed on active military duty.

The purpose of the MFA fund is to help active duty or veterans families defray the costs of such necessities as food, housing and medical services that become difficult to afford when a wage-earner has temporarily left civilian employment to be placed on active military duty, or when a veteran family can demonstrate their need for a last-resort payor sources to assist in making ends meet. The MFA fund also provides a means by which Louisiana citizens and businesses can donate money that will be used to pay the needs-based claims of family members of activated military personnel to assist them in times of financial crisis. Businesses and citizens may donate directly to the MFA fund or by individual or corporate state income tax check-off. All donations received will be deposited and credited to a special fund provided for by Act 151 of the 2005 Regular Legislative Session.

LaVetCorps Program: Through partnership with AmeriCorps service members, the Louisiana Department of Veterans Affairs staffs and operates student veterans centers at Louisiana's public colleges and university campuses, to help military veterans complete their academic goals and successfully transition home to their communities from service on the battlefield.

Veterans Outreach Program: This activity helps with veteran suicide prevention, veteran homelessness prevention, women veterans' programming, support for student veterans, and veteran employment and job referrals.
