#### ADDITIONAL PROGRAM REQUIREMENTS

- All grantees must have UEI number actively registered in <u>www.SAM.gov</u>.
- All engineers, consultants, and prime contractors must have UEI number actively registered in www.SAM.gov.
- Requests can only include reimbursement from either state or federal funds. Do not include both on one RFP form.
- Requests for any projects that include LDH/DEQ revolving funds must have the agency approval before OCD-LGA can process.
- Enroll vendor number for electronic funds transfer with the Office of Statewide Reporting and Accounting Policy. If you cannot do so, you must contact Traci Watts or Heather Paul in OCD-LGA.

#### Documenting Match Funds

- In order to document match funds, the system must include the invoices and the cancelled checks.
- We will take into account any match that is listed on the RFP form when calculating the WSP payment; however, the funds will not be identified as documented unless we have the required documents.
- All match funds must be documented with the final RFP to enable OCD-LGA to complete a reconciliation of expenditures to ensure the match commitment has been met. Adjustments will be made on the final RFP, if necessary.
