

# Louisiana State University Health Sciences Center Health Care Services Division

## Department Description

The LSU Health Care Services Division (HCSD) serves as the governing body for the Lallie Kemp Medical Center to support the provision of quality care at that facility. HCSD also supports the public/private partnerships entered into for six former LSU hospitals. It also fulfills various legacy obligations of the six former hospitals (medical records management, FEMA closeout, Cost Report settlements, malpractice lawsuits, various oversight audits and former employees' personnel management). HCSD also manages the transition of technology systems and infrastructure as the partner hospitals are transitioned to the partner hospitals' technology systems. The health care effectiveness program works collaboratively with other providers to advance quality and efficiency in care delivery, support education of current and future healthcare providers to positively impact health and healthcare for Louisiana citizens.

## 6107-Lallie Kemp Regional Medical Center

### Program Authorization

*This program is authorized by the following legislation:*

- *R.S.17:1519-R.S.17:1519.15*

### Program Description

The mission of the Lallie Kemp Medical Center is:

- To provide access to high-quality medical care.
- To develop medical and clinical workforce through accredited residency and other health education programs.
- To operate efficiently and cost-effectively.
- To work cooperatively with other healthcare providers and agencies to improve healthcare outcomes.

The goals of the Lallie Kemp Medical Center are:

- I. Teaching: To provide an adequate infrastructure and supportive environment for teaching and learning.
- II. Research: To continue generating new knowledge and technology through research and scholarly activities to enhance the well-being of the state's population and economic status.
- III. Revenue: To maintain an efficient and effective administrative structure necessary to accomplish its mission.
- IV. Access to patient care: To continue the implementation of appropriate, effective, and compassionate care that is accessible, affordable, and culturally sensitive and that will serve as a model for others in Louisiana and across the country.
- V. Quality: To serve as a valued partner in providing clinical care of the highest quality outcomes conforming to evidence-based standards, in settings that support the missions.
- VI. Service: To meet and exceed the standards in customer service with internal and external partners and constituencies to advance excellence in healthcare.
- VII. Stakeholders: To provide opportunities and resources for continuous improvement of workforce and foster cooperation and communication among stakeholders.

Lallie Kemp Medical Center is a Critical Access Hospital that provides acute, primary, and general critical medical care to the Florida Parishes population. The hospital also provides Oncology, Cardiology, and other specialty services as well as pharmacy, blood bank, respiratory therapy, and anesthesiology. MRI services are offered as well as other diagnostic services. Lallie Kemp Medical Center works cooperatively with the LSU Health Sciences Center to broaden the opportunity for residents in training. The hospital has partnered with Job Corps School to Work, Louisiana.
