6782-District Support

Program Authorization

This program is authorized by the following legislation:

- R.S. 17: 21, 24 and R.S. 36: 642, 649

Program Description

The mission of the District Support Program is to support our early childcare centers and school systems in achieving the Department's six (6) critical goals. The Department provides an infrastructure that promotes school improvement best practices, student assessment and accountability, student choice, high-quality materials and resources, educator evaluation and professional learning.

The goal of the District Support Program is to provide Louisiana educators and students with the leadership, information, support, and oversight necessary to ensure that "every one of Louisiana's children will be on track to a college degree or a professional career."

The District Support Program supports local education agencies in identifying opportunities and resources for improved instructional leadership, effective policy and practice, and comprehensive intervention in their lowest-performing schools. It serves as the office having primary responsibility for communications with and support for all local superintendents, charter school leaders, and school administrative staff throughout the state.

Program Description

The mission of the Federal Support Program is to distribute federal flow-through funds to school and community programs that enhance learning environments for disadvantaged or disabled students and students from disadvantaged backgrounds or high-poverty areas, provide the financial resources necessary to develop and assist LEAs in implementing tools and practices that effectively guide them in managing human capital, alignment of programs, policies and funding, and school turnaround strategies, and provide the necessary financial resources in the LEAs and schools to support the Early Childhood Activities.

The goal of the Federal Support Program is that local school boards and other local entities will use federal flow-through funds to assist disadvantaged, disabled or at-risk children in meeting challenging standards, to flow federal funds to local school districts and schools to improve the knowledge and skills of school personnel and develop highly qualified teachers, and to provide the necessary financial resources to target interventions in content areas that support the goals of the Department at particular districts and schools.

6821-Recovery School District

Program Authorization

This program is authorized by the following legislation:

- La. R.S. 17:1990 and R.S. 17:10.5 et seq.

Program Description

The Recovery School District (RSD) is currently responsible for the direct operation of one (1) school in East Baton Rouge Parish and one (1) school in Caddo Parish. RSD also oversees the educational management of three (3) additional schools in Baton Rouge Parish that are currently operated under its jurisdiction.

The mission of RSD - Instruction Program is to provide appropriate educational and related services to students who are enrolled in an elementary or secondary school transferred to the RSD jurisdiction.

The goal of the RSD - Instruction Program is to ensure that eligible children receive instruction and related services to enable them to participate in meaningful life activities.
