 Additional T.O. Positions
 FY 2021-2022

Position Title	Number of Positions	Salaries	Related Benefits	Total Sal. & Rel. Ben.	Justification
Correctional Security Officers	10	315,280	163,630	478,910	Recruitment and retention continues to be an issue for our facility. Senior correctional staff are retiring when eligible. Season correctional staff with experience are critical to the smooth operation of our facility. Additional officers would allow us to fully staff our tactical and/or chase team. Currently, we have the bare minimum of staff on each shift. There is no relief factor incorporated into our staffing. We need a full-time officer assigned to the Training Academy. This would give us the flexibility to be able to fill our vacancies and begin a training academy to meet our needs and/or schedule. With the additional officer we can provide more work opportunities for the offender population. This would include re-establishing a medium hard labor farm work crew. We could provide additional Trip Officers for the transport of offenders which in turn would reduce some overtime costs associated with this function. Our correctional shift supervisors has been reduced over the fiscal years by 50% which includes 4 Corrections Majors. Seasoned officers act as mentors in incoming officers. Additionally, management of maximum custody offenders requires closer supervision and tasks over current staff ratio.
RN 3	2	113,496	58,904	172,400	Due to the increase in the sick offender population, 2 nursing positions are needed to help with the increased workload. Routine sick calls have increased nearly 23% since FY 2010. The HIV population has increased with the intake of sicker and chronically ill offenders. Population of sicker and chronically ill offenders has increased by 33% in just over the last 2 years.
ARDC Specialist 2	2	59,280	30,766	90,046	This position is needed due to the increase in the records and classifications workload. Current changes in legislation and various good-time laws results in more complex time computation. Sufficient staff time to determine accurate release, parole eligibility and forfeitures has increased the workload/
Electronic Technician Advanced	1	54,267	28,164	82,431	This position is needed to handle all the surveillance equipment in use at David Wade Correctional Center. David Wade Correctional Center needs someone with extensive and specialized knowledge to keep the equipment up and running.
Plumber / Pipefitter Foreman	1	50,721	26,324	77,045	This position is needed to handle all the plumbing equipment in use at David Wade Correctional Center. Due to the age of the facility, David Wade Correctional Center needs someone with extensive and specialized knowledge to keep the equipment up and running. This position would allow the other maintenance personnel to direct their time to their filed of expertise.
Electrician Specialist Foreman	1	54,267	28,164	82,431	This position is needed to handle all the electrical equipment in use at David Wade Correctional Center. Due to the age of the facility, David Wade Correctional Center needs someone with extensive and specialized knowledge to keep the equipment up and running. This position would allow the other maintenance personnel to direct their time to their filed of expertise.
Professional Counselor 2	2	88,474	45,918	134,392	These positions are needed due to the increased offender population and increased participation in treatment programs. Allow counselors adequate time to address individual concerns, relative to abuse history, that is inappropriate for group meetings in greater detail. Getting to the root of the problem is key in providing effective rehabilitative treatment.
