Department of Revenue

Department Description

The Department of Revenue is comprised of two (2) budget units: Office of Revenue and Louisiana Tax Commission. Each budget unit completes a separate strategic plan and operational plan.

12-440 — Office of Revenue

Agency Description

The vision of the Office of Revenue is to be a results-based, innovative, and focused organization that is capable of rapidly responding to the needs of its citizens. Our mission is to fairly and efficiently collect state tax revenue to fund public services and regulate the sale of alcoholic beverages, tobacco, and charitable gaming in Louisiana. The goals of the Office of Revenue are to:

- I. Provide prompt, accurate, professional, and courteous service to citizens.
- II. Utilize best practices, innovation, and technology to improve agency efficiency and effectiveness.
- III. Maximize compliance through public education and enforcement.

The Office of Revenue has pledged the following commitments:

- I. Commitment to High Standards of Service. The Department is committed to raising the standards of tax administration by providing professional, courteous, accurate and efficient service to taxpayers as they try to comply with the state's tax laws.
- I. Commitment to Assisting Taxpayers. The Department will improve its efforts to educate and inform taxpayers of their responsibilities to file and pay tax obligations in a timely manner. Assistance will be given to facilitate easy and accurate reporting. The Department will also utilize its resources more effectively to provide a greater depth and breadth of services by striving to modernize and enhance its tax administration system.
- I. Commitment to Fair and Impartial Administration and Enforcement. The Department is committed to administering the tax laws of the state fairly, equitably and impartially, without regard to taxpayers' status, wealth, political affiliation, race, color, creed or disability. In pursuit of fair tax administration for all taxpayers, the Department will identify and actively pursue those who do not voluntarily comply with their tax reporting and payment responsibilities. Furthermore, the Department will exhibit honesty and integrity in all dealings with taxpayers and avoid any situation or action that could result in the slightest perception of unfair practices or questionable behavior.
- I. Commitment to Flexibility and Effectiveness in Serving Taxpayers. Flexibility is essential to accommodate today's rapidly changing world. Taxpayers expect greater efficiency and responsiveness from government. Budgetary and efficiency considerations, as well as expectations from executive, legislative, and judicial branches of government, also demand quicker and more accurate data and research. In addition, the need to interact effectively with federal, state and local government entities is becoming increasingly important.
- I. Commitment to Employees and Services They Provide. The Department recognizes that its employees are its greatest asset and that they should be encouraged and empowered to use their creativity and resourcefulness in fulfilling the Department's mission. Employees

must be dedicated to working individually and as a team to fully satisfy the service needs of Louisiana taxpayers. Only through teamwork, training, and education can staff ensure adequate response and efficient delivery of services.

The Office of Revenue is primarily responsible for the fair and equitable administration of the state's tax laws. This agency provides taxpayer assistance, uniform enforcement of the tax code, and efficient collection of the major tax revenues for the State of Louisiana.

The Office of Revenue has three programs: Tax Collection, Alcohol and Tobacco Control, and Charitable Gaming.

440_1000 — Tax Collection 12-440 — Office of Revenue

440_1000 — Tax Collection

Program Authorization: Title 36, Chapter 10 of the La. Revised Statutes

Program Description

The mission of the Tax Collection Program in the Office of Revenue is to administer the state's tax and regulatory statutes fairly and efficiently. It is accomplished through four core functions: Education and Assistance, Processing, Compliance, and Support.

- Education and Assistance This function encompasses educating citizens, businesses, and tax preparers
 about state tax reporting and payment responsibilities, and providing tax assistance and information. Activities include assisting walk-in taxpayers; responding to telephone inquiries and correspondence; developing and issuing policy statements; producing brochures and publications; and conducting and/or
 participating in seminars and workshops.
- Processing This function involves processing the millions of documents and remittances needed for revenue forecasting, policy considerations by the Governor and Legislature, issuance of refunds, rebates and other tax incentives, and collection of revenue to fund state services. Sophisticated mail-opening machines, high-speed character recognition, and imaging technologies are used in this process.
- Compliance and Enforcement This function includes the discovery and generation of revenues that would otherwise go unreported and uncollected by conducting civil and criminal tax audits, and pursues delinquent debts and litigation.
- Support This function supplies the services needed to support the organization, such as human resources, information technology, internal controls, and fiscal matters.

The goals of the Tax Collection Program are:

- I. To provide quality service by providing a more consumer friendly, customer service approach to dealing with taxpayers, practitioners, and stakeholders.
- II. To improve operational efficiency by streamlining processes, eliminating redundancy, and collaborating with other entities
- III. To maximize compliance through education and enforcement by effectively communicating state tax filing and payment requirements. To sustain or enhance a voluntary compliance program, the Department must employ enforcement measures to deter non-filing, underreporting, and/or fraud.

The Tax Collection program revolves around the concepts of data integrity and policy integrity. To implement these concepts, the program incorporates regulatory controls, management and finance, data/payment processing, collection, audit, enforcement, compliance, taxpayer services, education, and community outreach as functions within the organization. These functions, in turn, address the vision, mission, and goals established to meet the needs of internal and external customers.

Source of Funding

The sources of funding for this program include State General Fund Direct, Interagency Transfers, and Fees and Self-generated Revenues. Interagency Transfers are from the Department of Natural Resources for rent expense in the Houston and Dallas regional offices that are shared between the departments. Fees and Self-generated Revenues are derived primarily from late payment/delinquent fees and negligence fees.

Performance Information

1. (KEY) Efficiently collect state tax revenues.

Children's Budget Link: Not Applicable

Human Resource Policies Beneficial to Women and Families Link: The department cannot identify and explain the link between this objective and the department's strategies for development and support. However, as affirmed in Revised Statute 39:31 (C)(9), the department is cognizant that female employees comprise the majority (71.77%) of the permanent staff within the department and has enacted the human resources policies that are helpful and beneficial to women and families.

Other Links (TANF, Tobacco Settlement, Workforce Development Commission, Other): Not Applicable

12-440 — Office of Revenue 440_1000 — Tax Collection

Explanatory Note: By the end of FY 2005-2006, the Office of Revenue will complete implementation of an online business taxpayer access application and online exemption request applications. These applications will provide business taxpayers with an easy, fast, accurate, and secure method to file tax returns and/or payments and exemption certification applications through the Internet without having to visit a Revenue office. Another strategy to increase self-service options to business customers will be the installation of single stand-alone kiosks in the headquarters and the 8 regional offices of the department. These kiosks will provide business customers with access to all of the electronic filing and payment applications.

This indicator represents total revenue deposited, including paper checks and electronic funds. Twenty-four hour deposit is the industry standard and the department has received legislative auditor findings on this issue.

2. (KEY) Maximize voluntary compliance through education and enforcement

Children's Budget Link: Not Applicable

Human Resource Policies Beneficial to Women and Families Link: The department cannot identify and explain the link between this objective and the department's strategies for development and support. However, as affirmed in Revised Statute 39:31 (C)(9), the department is cognizant that female employees comprise the majority (71.77%) of the permanent staff within the department and has enacted the human resources policies that are helpful and beneficial to women and families.

Other Links (TANF, Tobacco Settlement, Workforce Development Commission, Other): Not Applicable

Explanatory Note: This objective encompasses all paper and electronic returns for all taxes. The source of data is an internal database. The information is captured daily and reported on an as-needed basis. The calculation for determining the length of time it takes for a paper return to be processed is the processed date minus mail date (mailed date is defined as the date received by the department).

440_3000 — Alcohol and Tobacco Control

Program Authorization: R.S. 14:93.20; R.S. 15:578 (A)(1); Title 26 of the La. Revised Statutes; R.S. 36:451(B) and (C), 458(E), 459(F), and 921(C).

Program Description

The mission of the Office of Alcohol and Tobacco Control (OATC) is to provide the state with an effective regulatory system for the alcoholic beverage and tobacco industries, with emphasis on access to underage individuals through efficient and effective education and enforcement efforts.

The goal of the Office of Alcohol and Tobacco Control is to reduce underage consumption of alcohol and tobacco through enforcement efforts while providing professional, knowledgeable, and efficient service to the taxpayers of the state.

Several legislative acts that expanded the functions and responsibilities of the Office of Alcohol and Tobacco Control were passed during the 1997 Regular Session of the Louisiana Legislature.

Act 1370, effective October 1, 1997, changed the name of the office and added a license requirement for tobacco products dealers who sell at wholesale, retail, or through vending machines. The OATC is responsible for enforcing the prohibition against sales of tobacco products to youths under the age of 18 years and for registering and permitting tobacco retailers and wholesalers in Louisiana. This licensing program is to help ensure compliance with the Prevention of Youth Access to Tobacco Law.

Act 728, effective August 17, 1997, enacted R. S. 14:93.20 to make it unlawful for alcoholic beverage whole-salers, retailers, or producers domiciled outside of Louisiana to ship directly to consumers in Louisiana unless the shipper is registered with the OATC. The OATC is responsible for enforcing this prohibition and for notifying the U. S. Bureau of Alcohol, Tobacco and Firearms of violations. Act 1054 instituted the Responsible Vendor Program, which is designed to educate vendors and their employees and customers about selling, serving, and consuming alcoholic beverages in a responsible manner and to provide for certification of vendors and servers. The program, which was voluntary effective January 1, 1998, became mandatory January 1, 2000.

The Office of Alcohol and Tobacco Control is comprised of the Administrative and Certification Division and the Enforcement Division.

- The Administrative and Certification Division is responsible for licensing alcoholic beverage licensees, tobacco licensees, and responsible vendor providers, trainers, and servers. The Administrative Division issues approximately 30,000 alcohol and tobacco permits statewide annually, as well as, over 100,000 responsible vendor server permits annually.
- The Enforcement Division is responsible for enforcing Title 26, the Beer and Liquor Law, and the Louisiana Administrative Code. Enforcement agents, in conjunction with local law enforcement personnel, conduct random inspections at locations where alcoholic beverages and tobacco products are sold. Agents also investigate current license holders' operations to ensure compliance with complex fair trade laws that govern the industries. The division conducts over 21,000 inspections and responds to approximately 10,000 compliance checks annually.

Source of Funding

This program is funded with Interagency Transfers, Fees and Self-generated Revenues, Federal Funds, and Statutory Dedication. The Interagency Transfers are from the Department of Health and Hospitals for enforcement of the Prevention of Youth Access to Tobacco and the Department of Public Safety for the enforcement of State and Federal laws prohibiting the sale of alcoholic beverages to underage consumers. The Fees and Self-Generated Revenues are generated through fees assessed to the industry through the required purchase of various licenses, permits, and fines for violations. The Federal Funds are from the U.S. Department of Justice, Office of Juvenile Justice and Delinquency Program to enforce underage drinking laws. The Statutory Dedication is the Tobacco Regulation Enforcement Fund (R.S. 47:841). Funding is provided by a portion of the tax charged to consumers for the purchase of cigarettes.

440_4000 — Office of Charitable Gaming

Program Authorization: Title 26 of the Louisiana Revised Statutes; Act 1188 of 1995

Program Description

The mission of the Charitable Gaming Program is to administer efficiently and effectively the state's tax and regulatory statutes in a manner that will generate the highest degree of public confidence in the Department's integrity and fairness.

The goals of Charitable Gaming Program are:

- I. Decrease the potential for fraud in the conducting of the games of chance in the State of Louisiana.
- II. Guarantee that organizations obtain the full benefit from games of chance.
- III. Ensure that the net proceeds of games of chance are attributed to bona fide and allowable charitable causes.
- IV. Prevent the infiltration of elements of organized crime or professional gambling into the charitable gaming industry.

Act 568, effective June 30, 1999, created the Office of Charitable Gaming within the Department of Revenue and transferred the regulatory and statutory authority from the Office of State Police. This act also enacted Chapter 11 of Title 4, all relative to conducting and regulating charitable gaming. Act 1286 increased the annual license fees for licensed organizations.

The Office of Charitable Gaming is comprised of the Administrative, Licensing, and Audit Sections.

- The Administrative Section is responsible for administering and enforcing the laws and regulations associated with the activities of charitable gaming.
- The Licensing Section is responsible for the review of applications requesting a license to conduct charitable gaming actives and the issuance of the license. Approximately 1,200 licenses are issued each year.
- The Audit Section is responsible for on-site inspection of gaming activities, training of organizations, review of required books and records maintained by organizations, and enforcement of gaming laws and regulations.

12-441 — Louisiana Tax Commission

Agency Description

The mission of the Louisiana Tax Commission (LTC) is to administer and enforce the Louisiana laws relating to property taxation and to formulate and adopt rules and guidelines to ensure fair and uniform tax assessments throughout the state.

The goals of the Louisiana Tax Commission are:

- I. To use oversight authority to ensure the fair and uniform administration of taxation by local parish assessors.
- II. To achieve the highest possible degree of voluntary compliance in reporting by taxpayers.
- III. To improve taxpayer relations and the Commission's image with the taxpaying public, local elected officials, legislators, and other state taxing authorities.
- IV. To maintain a dedicated and professional staff through education and training to improve employee productivity through the use of updated technology.

The LTC is composed of five Commission members. Staff and support are provided through the Property Taxation Regulatory/Oversight Program.

The LTC conducts public hearings on:

- Appeals from tax recipient bodies or assessors from the action of the parish board of review.
- Protest of valuation set by the Commission on public service properties.
- Appeals by assessors and tax recipients concerning ratio studies conducted by the Commission.

The Commission measures the level of appraisals or assessments and the uniformity of assessments for each major class of property by parish and annually notifies each assessor and tax recipient body of the results of its measurements; prepares and issues annual guidelines for use by local assessors, tax representatives, and tax-payers; develops, maintains and enforces a statewide system for preparation of assessment lists, tax rolls, and other necessary forms; and reviews and certifies assessment rolls. The Commission also determines tax assessments of all insurance companies, financial institutions, and bank stock companies and distributes assessment values statewide to local assessors for placement on roll books. The Commission appraises and determines fair market value of all operating properties owned by public service companies in the State of Louisiana, distributes assessed valuations to various assessors, and performs audits to assure compliance. LTC trained field personnel gives direct assistance to the staffs of many local assessors. In addition, the Commission provides information on ownership and location of certain movable property to assessors.

The Commission uses ratio studies to establish whether assessment values of real property are proper and uniform. Ratio studies are conducted in each parish annually. Real estate appraisals used in the ratio study are representative of all different types of property found in the parishes. The estimates of values are determined and compared to the assessments. The assessed values should be within 10% of the indicated fair market value.

Appraisals and audits, for tax assessment purposes, are conducted with respect to owners of all public service properties in Louisiana. These properties are assessed by the LTC at the rate of 10% of fair market value of land and 25% of fair market value for all other property owned by public service companies (with the exception of airlines, railroads, private car companies, and electric co-ops, which are assessed at the rate of 15% of fair market value). Each company's assessed valuation is distributed to the various local assessors for distribution. LTC personnel perform over 600 appraisals on public service property annually. Audits are performed to assure compliance as well as to verify financial information. LTC auditing personnel conduct audits with respect to assessments of personal property in each parish annually. An audit procedure allows staff to perform out-of-state audits and provides for self-generated expenses related thereto.

441_1000 — Property Taxation Regulatory/Oversight

Program Authorization: La. Constitution, Article VII, Section 18; R.S. 47:1831-1837.

Program Description

The Property Taxation Regulatory/Oversight Program is responsible for the administrative activities of the Louisiana Tax Commission (LTC), thereby managing the fiscal and business affairs of the commission to assure compliance with all statutes relative to the duties and responsibilities of the commission. Through the Property Taxation Regulatory/Oversight Program, the commission conducts public hearings concerning appeals from taxpayers, assessors, or tax recipient bodies. The commission also determines the assessment of all public service properties, insurance companies, and banks. Ratio studies are completed in all parishes or districts on an annual basis to insure uniformity of assessments. Random audits are conducted throughout the year by the audit staff as well as the public service division.

Through the review of assessments, the commission will certify the assessment rolls and process all change orders submitted by the local assessors. The mission and goals for the Property Taxation Regulatory/Oversight Program are broken down by activity:

- The mission of the Administrative activity is to manage fiscal and business affairs of the Louisiana Tax Commission and to offer leadership and guidance to all state assessors. The activity is also charged with hearing and deciding appeals of property valuations and clarifications. The goals of the Administrative program are to ensure compliance with all statues relative to the duties and responsibilities of LTC, to improve the image of the LTC, and to promote the highest degree of voluntary compliance.
- The mission of the Appraisal activity is to ensure accurate and uniform assessment of all real property in the state. The activity also provides local assessor assistance when requested. The goals of the Appraisal activity are to use oversight authority to ensure accurate and uniform administration of real property taxation by local parish assessors and to maintain a professional staff through education and training and to improve employee productivity through use of updated technology. The agency intends to improve the quality of ratio studies and other appraisals performed.
- The mission of the Public Service and Audit activity is to fairly and uniformly appraise and certify assessments of all public utility property, render assessments on all banks, financial institutions and insurance companies according to the Louisiana tax laws, and to continue to provide a comprehensive audit program for all property in the state. The goals of the Public Service and Audit activities are to apply Louisiana laws in the determination of fair market value of public service properties, certify all public utility property annually, and render assessments on all banks, insurance companies, and financial institutions to each parish by September 1; to make all public utility forms available on the Internet; and conduct in-depth audits of personal property, banks, insurance companies, financial institutions and public utility companies as required or requested by parish assessors.

Performance Information

1. (KEY) To hear 100% of all protest hearings within the tax year in which the protest was filed through June 2013.

Children's Budget Link: Not Applicable

Human Resource Policies Beneficial to Women and Families Link: Not Applicable

Other Links (TANF, Tobacco Settlement, Workforce Development Commission, Other): Not Applicable

Explanatory Note: The Louisiana Tax Commission holds hearings for a variety of purposes. As the regulatory/ oversight agency for ad valorem taxation, the Louisiana Tax Commission (LTC) is required to hold protest hearings when there is a tax dispute. In accordance with R. S. 49:951 et seq., the LTC must promulgate and adopt rules and regulations pertaining to property taxation. Hearings are a part of that rule-making process. The LTC completes 70 ratio studies each year. The commission is required to announce the ratio study results at a public hearing each year for each individual assessor. Protest hearings make up the majority of hearings.

Performance Indicators

| | Performance Indicator Values | | | | | | | | | |
|---|--|---|---|---|--|---|--|--|--|--|
| L e v e Performance Indicator l Name | Yearend Performance Standard FY 2007-2008 | Actual Yearend Performance FY 2007-2008 | Performance Standard as Initially Appropriated FY 2008-2009 | Existing Performance Standard FY 2008-2009 | Performance At Continuation Budget Level FY 2009-2010 | Performance At Executive Budget Level FY 2009-2010 | | | | |
| K Percentage of protest hearings completed within the tax year in which the protest was filed (LAPAS CODE - 3578) | 100% | 99% | 100% | 100% | 100% | 50% | | | | |

It is difficult to predict accurately the number of hearings that will be heard each year. In addition, some protests are settled without a hearing. However, regardless of the number of protest hearings that come before the Louisiana Tax Commission, the commission is committed to hearing all protests within the tax year in which the protests were filed.

| L e v e l | Performance Indicator Name | Yearend Performance Standard FY 2007-2008 | Actual Yearend Performance FY 2007-2008 | Performance Standard as Initially Appropriated FY 2008-2009 | Existing Performance Standard FY 2008-2009 | Performance At Continuation Budget Level FY 2009-2010 | Performance At Executive Budget Level FY 2009-2010 | | | | | |
| K | Percentage of banks and insurance companies assessed (LAPAS CODE - 3583) | 100% | 100% | 100% | 100% | 100% | 100% | | | | | |

The Louisiana Tax Commission (LTC) makes the assessment of banks and insurance companies annually for distribution to local assessors. With consolidations, mergers, and acquisitions, the number of banks and insurance companies fluctuates from year to year. This fluctuation makes it difficult to predict accurately the number of banks and insurance companies to be assessed each year. However, the LTC assesses all banks and insurance companies annually, regardless of the number of such companies. For historical information on the number of banks and insurance companies assessed as well as the assessed value of those banks and insurance companies, see the General Performance Information table.

| K Percentage of tax rolls | | | | | | |
|---------------------------|------|------|------|------|------|------|
| certified before November | | | | | | |
| 15th of each year (LAPAS | | | | | | |
| CODE - 10480) | 100% | 100% | 100% | 100% | 100% | 100% |

There are 70 local tax assessors in Louisiana. Prior to November 15th of each year, local tax assessors are required to submit their tax rolls to the Louisiana Tax Commission (LTC) for certification. Certification must occur before tax collectors can begin to collect taxes. Should it be necessary to correct or change an assessment after the rolls have been certified by the LTC, the assessor must submit a change order to the commission for approval. For historical information on the number of tax rolls certified and the number of change orders processed, see the General Performance Information table that follows this objective.

| K Percentage of public utility companies appraised and | | | | | | |
|--|------|------|------|------|------|------|
| assessed (LAPAS CODE - | | | | | | |
| 3597) | 100% | 100% | 100% | 100% | 100% | 100% |

The Louisiana Tax Commission is charged with appraising and auditing all public service properties throughout the state. These properties are assessed by the LTC at the rate of 10% of fair market value of land, 25% of fair market value for all other property owned by public service companies, with the exception of airlines, railroads, private car companies, and electric cooperatives, which are assessed at the rate of 15% of fair market value. Each company's assessed valuation is distributed to the various local taxing jurisdictions. The tax dollars produced from assessments of public service properties remain in local parish coffers. Any major changes in reporting by a particular industry may trigger an audit of that industry. Audits are performed to assure compliance as well as to verify financial information. The number of public service audits that will produce revenue has decreased since all major industries have been audited and are now reporting correctly. For historical information on the number of public service appraisals and audits conducted, see the General Performance Information table that follows.

Other Links (TANF, Tobacco Settlement, Workforce Development Commission, Other): Not Applicable

Explanatory Note: All ratio studies contain property appraisals. In addition, the Louisiana Tax Commission (LTC) conducts appraisals at the request of local assessors or taxing bodies. The LTC staff assists local governments in the appraisal of major income-producing property, using income approach to value. LTC staff continue to expand the appraisal program by including industrial property such as paper mills, grain elevators, and petro-chemical plants. Commission staff conducts complex appraisals of large statewide industrial facilities that are being added to the parish roll books upon completion of their ten-year industrial tax exemption and provide the data to parish assessors.

Performance Indicators

| | | | | Performance Indicator Values | | | | | |
|-----------------------|---|--|---|---|---|--|---|--|--|
| L e v e l | Performance Indicator Name | Yearend Performance Standard FY 2007-2008 | Actual Yearend Performance FY 2007-2008 | Performance Standard as Initially Appropriated FY 2008-2009 | Existing Performance Standard FY 2008-2009 | Performance At Continuation Budget Level FY 2009-2010 | Performance At Executive Budget Level FY 2009-2010 | | |
| | Total number of property appraisals conducted (LAPAS CODE - 3593) | 7,000 | 5,974 | 7,500 | 7,500 | 7,500 | 3,000 | | |

The number of property appraisals varies from year to year due to the type of ratio study conducted (all ratio studies contain property appraisals) and the number of request from local assessors or taxing bodies.

| S Number of ratio studies | | | | | | |
|---------------------------|----|----|----|----|----|----|
| conducted (LAPAS CODE | | | | | | |
| - 3590) | 70 | 70 | 70 | 70 | 70 | 28 |

Ratio studies are used by the Louisiana Tax Commission (LTC) to establish whether assessment values of real property are proper and uniform. Ratio studies are conducted in each parish annually; since there are 70 local tax assessors in Louisiana, this number remains constant at 70. However, because of new technological upgrades, the quality of such studies can and will be improved. All ratio studies contain property appraisals; the property appraisals associated with ratio studies are included in the total number of property appraisals conducted. Real estate appraisals used in the ratio study are representative of all different types of property found in the parishes. The estimates of values are determined and compared to the assessments. The assessed values should be within 10% of that indicated by the appraisals.

4. (SUPPORTING)To audit personal property requests made by assessors throughout the state and conduct any related industry audits through June 2013.

441_2000 — Supervision and Assistance to Local Assessors

Program Authorization: Act 10 of 1998.

Program Description

The mission of the Supervision and Assistance to Local Assessors Program is to act in an oversight capacity assisting the assessors and providing instructions as required by Louisiana Law and to ensure that all assessments rolls are submitted in the approved format for inclusion on the Louisiana Tax Commission (LTC) website.

The goal of the Supervision and Assistance to Local Assessors Program is to ensure that all property in Louisiana is assessed fairly and equitably and placed on the proper assessment roll to be included on the LTC website.

Performance Information

1. (KEY) To implement the electronic filing of tax documents that parish assessors must file with the Louisiana Tax Commission by establishing electronic links between the commission and 100% of parish assessors through June 2013.

Louisiana: 2020 Link: This objective is linked to Objective 2.8: "To have an equitable tax structure, regulatory climate, and civil justice system conducive to business retention and the creation and growth of innovative companies."

Children's Budget Link: Not Applicable

Human Resource Policies Beneficial to Women and Families Link: Not Applicable

Other Links (TANF, Tobacco Settlement, Workforce Development Commission, Other): Not Applicable

Explanatory Note: There are 70 local assessors in Louisiana. With implementation of a statewide computer-assisted property information system, it will be possible for the Louisiana Tax Commission to expand its monitoring practices. Filing of tax rolls, change orders, and LAT forms electronically by the 70 assessor offices will substantially reduce storage of books and forms annually. The Louisiana Tax Commission has targeted the electronic linking with 30% of the assessor offices each year until all 70 offices can be accessed.
