RE: MOVIE/TV FILMING EVENTS STATE BUILDINGS AND GROUNDS

For its part, the Office of State Buildings does not object to the filming on State facilities and grounds as long as the below criteria are met:

- 1) The production company (for use of facilities) shall pay the cost of \$3000.00 per day for all direct and indirect services provided by the state, Additional security personnel, janitorial personnel, other related costs may be necessary for payment by the production company. This cost per day will apply to preparation and filming.
- 2) The production company (for the use of grounds) shall pay the cost of up to \$2,000.00 per day depending on the location, area and/or other factors. This cost per day will apply to preparation and filming.
- 3) The production company will be responsible for fixing/repairing any and all damage to the state buildings or grounds. The State reserves the right to specify the means of repair and all work will be done to complete satisfactions of the state. The cost of any repairs is to be borne by the production company and not included in the \$3000 per day cost.
- 4) The production company may not block any public thoroughfares without prior approval.
- 5) The production company provides insurance against any and all liabilities which may arise from the event and specifically holds harmless the state of Louisiana from any such claim. Proof of insurance and hold harmless must be received by this office prior to approval being granted.
- 6) The production company provides adequate portable sanitary facilities. Proof of compliance must be received by this office prior to approval being granted.
- 7) The production company provides post clean-up of the area(s) used. Proof of compliance must be received by this office prior to approval being granted.
- 8) No tent set-up is allowed during the function of the event without prior approval.
- 9) All vehicles used for set-up of the function must remain on the sidewalks and not drive or park on lawn areas due to the underground irrigation/utilities systems.

The production company shall provide written evidence of compliance with these criteria to the Office of State Building no later than 10 days before the date of the outside event. If the production company seeks a variance to cost per day and any of the requirements, a request for such variance and the reasons therefore, shall be submitted to the Office of State Buildings no later than 30 days before the date of the event.
