2. In the event of late payment and, at LESSOR'S option, LESSEE may be granted up to an additional thirty (30) days to make payment. During this thirty (30) day period, any late rental payments tendered by LESSEE must include an additional late penalty payment equal to the annual rental. At LESSOR'S option, rental payments tendered more than thirty (30) days following the due date may be accepted. Acceptance of late payments does not alter the terms of this lease. Should LESSOR determine that the rental shall be adjusted, LESSOR shall notify LESSEE one (1) year before the rental payment is due or the rental shall not be adjusted.

## IMPROVEMENTS

LESSEE may only make those improvements, additions, alterations or reconstructions to "the property" which are made in accordance with generally accepted commercial practices and within the scope and purpose of this lease. Any other improvements, additions, alterations or reconstructions to "the property" shall not be made without prior written permission of LESSOR, which permission shall not be unreasonably withheld.

## CONDITIONS

1. This lease is granted subject to all existing surface leases, mineral leases, servitudes, rights-of-way, permits or any other contracts of record affecting "the property".
2. LESSEE agrees to comply with all applicable statutes, rules and regulations relating to the disposal of saltwater through deep well injection as required by the Office of Conservation, Department of Environmental Quality or any other regulatory agency with jurisdiction over the process. A copy of any and all permits required for saltwater injection shall be attached hereto and made a part hereof, and any violation of the terms and conditions of the required permits shall be cause for cancellation of this lease.
3. LESSEE shall comply with all federal, state and local statutes, rules, regulations and ordinances relating to environmental, sewer, sanitation, fire, safety and any other regulated activities and provide our office with proof of compliance.
4. LESSEE agrees to use "the property" as a good and careful administrator. This includes maintaining "the property" in a neat, clean and orderly manner at all times. No hazardous waste materials shall be placed or stored by LESSEE on or under "the property", in a manner contrary to law.
5. Should an Agent or Attorney be employed to give special attention to the enforcement or protection of any claim of LESSOR arising from this lease, LESSEE shall pay as fees and compensation to such Agent or Attorney such sum as will constitute a reasonable fee including all court costs, together with all other costs, charges and expenses or reimbursement for actual costs occasioned by LESSOR, at LESSOR'S discretion.

## RESERVATIONS

LESSOR reserves the full use and enjoyment of "the property", both surface and subsurface, for any and all purposes except those particular uses granted hereinabove to LESSEE. LESSOR'S reservation includes, but is not limited to the following rights:

1. LESSOR reserves all rights of whatever nature and kind in and to all minerals on or under "the property". These rights include, but are not limited to, all operations which are necessary, useful or convenient for the exploration, exploitation, drilling, mining, production, development, storage and transportation of all oil, gas, sulphur and other minerals, on or under "the property" or any other lands under the control of LESSOR.
2. LESSOR reserves all rights of whatever nature and kind in and to all other surface or subsurface uses of "the property". These rights include, but are not limited to, all operations which are necessary, useful or convenient for the exploration, exploitation, mining, production and development of all sand, gravel or shell deposits; issuance of servitudes and rights-of-way; and issuance of permits and leases. LESSOR may exercise the rights reserved herein without LESSEE'S consent, so long as those rights granted do not unreasonably interfere with LESSEE'S then existing operations, surface and subsurface installations and facilities on "the property". LESSEE hereby expressly agrees and declares that LESSOR shall not be liable to LESSEE for damages resulting from the unreasonable exercise of any rights reserved herein.

## ASSIGNMENT/SUBLEASE

This agreement shall be binding upon LESSOR and LESSEE, their respective successors and assigns. This lease may not be assigned, subleased or otherwise transferred in whole or in part without the prior written permission of LESSOR, provided, however, that such consent shall not be necessary in the event of a transfer of the lease resulting from a corporate merger, consolidation or change of name of LESSEE.

## HOLD HARMLESS

LESSEE accepts "the property" in its present condition, and LESSOR shall not be responsible for damage of any kind to any person or property arising out of or resulting from LESSEE'S use of "the property". LESSEE further agrees to indemnify and to hold LESSOR harmless against any loss or liability for injury to or death of persons or damage to property of others, including costs and expenses incident thereto, arising wholly or in part from or in connection with the condition, use or existence of "the property" or any of the rights granted herein. LESSEE will, at LESSOR'S request, appear and defend any suit arising from any such loss or liability at its own sole cost and expense and will pay any judgments that may be entered against LESSOR therein when said suit is finally determined for such loss or liability resulting from LESSEE'S use of the property.

## TERMINATION/CANCELLATION

1. Should LESSEE at any time violate any of the conditions of this lease, or discontinue the use of "the property", or payments or other expenses assumed under this lease, LESSOR shall have the option to notify LESSEE in writing that it intends to cancel this lease and if LESSEE has not corrected the problem within thirty (30) days from receipt of notice, then LESSOR may immediately cancel this lease without putting LESSEE in default. LESSEE will remain responsible/liable for any personal property or equipment covered by this lease, remaining on site after said lease has terminated.
2. Should LESSEE be found by a tribunal of competent jurisdiction to have used "the property" or any portion thereof in any manner which violates any state or federal statute, rule or regulation, and for which violation a fine of ten thousand dollars (\$10,000.00) or greater or a prison sentence is assessed, LESSOR may immediately cancel this lease without prior notice or necessity of putting LESSEE in default.
3. LESSEE may surrender this lease at any time, either during the original term or any extension of the original term by giving written notice to LESSOR. If LESSEE had previously recorded this lease in the parish conveyance records, then LESSEE shall file a written release in the parish conveyance records and shall provide LESSOR a certified copy thereof. Surrender of this lease shall not affect any existing obligations of the LESSEE or relieve the LESSEE of any obligations previously incurred.
4. Upon termination of this lease, LESSEE will ipso facto forfeit any right of recourse against LESSOR for return of all or part of the consideration paid.
5. In the event of cancellation or termination for any reason, LESSEE or its assigns hereby agree to remove at their sole risk, cost and expense, any or all constructions or obstacles and to restore "the property" to its original condition within ninety (90) days of lease termination. In the event LESSEE fails to remove all constructions from the property within 90 days of the lease termination, then LESSOR may appropriate ownership of the improvements upon written notice or, at its option, remove the improvements, constructions, or obstacles. In the event LESSOR must pay for removal, LESSEE is obligated to reimburse the LESSOR for such removal expenses.
6. Should LESSOR allow or permit LESSEE to remain on "the property" after the expiration or termination of this lease, this shall not be construed as a reconduction of this lease.
