Once the form is received, reviewed, and approved, the Agency Contact will receive notice the Applicant has been sent Louisiana Applicant Processing System (LAPS) instructions that include a **Service Code** and **unique payment code (NCAC)** or payment instructions for non-TORFR IT Vendors. These instructions will detail how the applicant will self-register and set an appointment at an available IdentoGO (<https://uenroll.identogo.com>) location that is most convenient to the applicant for fingerprinting. In lieu of an IdentoGO location for digital fingerprinting, these instructions will also detail submitting fingerprint cards created at a law enforcement office to the Louisiana Applicant Processing System by mail. The applicant CANNOT register with LAPS without the service code and payment information provided in these instructions and are unique to the applicant. Any questions should be submitted to InfoComp@la.gov.
