4. Assurances

Grantee shall be responsible for implementing the Program activities in compliance with all state and federal laws and regulations and all Program requirements, as now in effect and as may be amended from time to time. It shall be Grantee's responsibility to ensure that Grantee or any entity instituting programs in conjunction with this Agreement under the supervision of Grantee require that all of its contractors, and all tiers of their subcontractors, all sub recipients, if applicable, and all beneficiaries, if applicable, adhere to all applicable state and federal laws and regulations and all Program requirements as now in effect and as may be amended from time to time, and to conduct all necessary monitoring for such compliance.

As to laws and regulations which apply to the use of CDBG funds, Grantee has prior to the execution of this Agreement executed the Statement of Assurances, attached hereto as Exhibit C, reflecting compliance with those listed laws and regulations, as may be applicable, which shall be deemed to be requirements of this Agreement. As to any other laws and regulations which may apply to construction projects, Grantee is responsible for determining the applicable laws and regulations and ensuring compliance therewith if construction is funded under this Agreement.

The Parties expressly acknowledge that the matters which are the subject of

this Agreement are under the CDBG Mitigation Program administered by HUD, which by its emergency nature is subject to ongoing modification and clarifications. The OCD's obligations under this Agreement are subject to compliance with applicable statutes and regulations of the CDBG program, as modified by exceptions and waivers previously granted and which may hereinafter be granted by HUD. Grantee agrees that in connection with its rights and obligations under the Agreement, it shall cooperate with HUD and the OCD regarding the administration and audit of the Program, including compliance with various operating and reporting procedures which may hereinafter be promulgated by the OCD and/or HUD.

In the event costs are disallowed by any monitoring, audit or oversight of either the State or Federal Government, including the U.S. Department of Housing & Urban Development, the Inspector General of the United States, the Louisiana Legislative Auditor, the Louisiana Inspector General, or any other duly authorized party, the Grantee shall be responsible for remitting these funds to the OCD. Failure to complete the Project described in the Statement of Work may constitute a basis for disallowance of costs.

E. Contract Monitor/Performance Measures

The contract monitor for OCD on this Agreement is the Executive Director of OCD, or designee. The performance measures for this Agreement shall include the successful performance and completion of Grantee's obligations as provided in this Agreement and any attachments, as well as all guidelines for the Program. Grantee shall submit to OCD, on a schedule and dates to be provided by OCD, but not less than every six (6) months, a report of Project progress and beneficiary data in an acceptable format approved by OCD. Grantee is responsible for maintaining project files and support documentation for the information contained in the reports.

Grantee shall also comply with the provisions of 2 CFR 200 with regard to the monitoring and reporting of Program performance and shall be responsible for providing OCD with any additional project progress and beneficiary data as required by federal and state law. It shall be the Grantee's obligation to implement any contractual arrangements it may need for use of, and access to, such data.

Reporting requirements may require Grantee to obtain data from third parties (i.e. persons that receive Grant Funds or other beneficiaries of the Program(s), including sub-recipients, and/or borrowers funded under this Agreement, tenants/operators/users of facilities or equipment acquired or improved with funds provided under this Agreement). It shall be the Grantee's obligation to implement any contractual arrangements it may need for use of, and access to, such data.

Grantee will cooperate with OCD regarding Program oversight and evaluation. The Monitoring Plan to be used by Grantee, must satisfy CDBG program requirements and must be acceptable to OCD.

F. Deliverables (Due Dates to be agreed upon by the Parties)

G. Duplication of Benefits

In the event that alternate sources are or become available to Grantee for the same purposes as the funding which the OCD is providing under this Agreement, Grantee agrees to pursue recovery and/or funding through such sources with due diligence and, to the extent of recovery of such alternate sources, reimburse the OCD for the funding under this Agreement.

II. PAYMENT PROCESS

- A.** Grantee shall submit draw requests for payment of Eligible Expenses payable under this Agreement to the Executive Director of OCD, or designee, for approval.

Payment to Grantee will be made on a cost reimbursement basis for actual costs incurred under the Program. Direct costs charged shall include sufficient documentation to support labor and expenses. Sufficient documentation to support labor charges includes time records detailing the work performed, the date, and the named person performing the work along with the actual salary rate. Expenses shall be supported by sufficient documentation including, but not limited to, receipts and vendor invoices. All payments will be limited to those amounts that are deemed eligible and reasonable.

Indirect costs shall only be charged in accordance with a federally accepted negotiated indirect cost agreement, a de minimis rate of 10% of modified total direct costs in accordance with 2 CFR 200.414, or a written cost allocation plan reviewed and accepted by OCD.

Following review and approval of the draw requests by the Executive Director of OCD, or designee, approved draw requests shall be submitted to OCD Finance Manager, or her designee, for approval of payment. Draw requests not approved by the Executive Director of OCD or the OCD Finance Manager, or their respective designees, shall not be paid, but returned to Grantee for further processing.

- B.** Upon approval of payment by the OCD as provided for above, payment of Eligible Expenses shall be provided to Grantee via electronic funds transfer.
- C.** Grant Funds shall not be drawn in advance.
- D.** If an award letter has been issued regarding Grant Funds, only costs consistent with

the terms of the award letter will be allowed, unless expressly waived in writing by OCD.

- E. Eligible travel costs shall be reimbursed in accordance with PPM 49, <https://www.doa.la.gov/da/ost/>, in effect at the time the expense was incurred, if provided for in the Budget.
- F. In the event of non-compliance with this Agreement, the OCD may withhold payment to the Grantee until OCD deems the Grantee has brought the Program within compliance. Noncompliance on any aspect funded under this Agreement may serve as a basis to withhold payment on funds for other projects funded under this Agreement.

III. TERM OF AGREEMENT; TERMINATION OR SUSPENSION OF AGREEMENT

A. Term of Agreement

The term of this Agreement, subject to all requisite consents and approvals as provided herein, shall commence May 1, 2022 and terminate April 30, 2025, unless terminated prior to such time in accordance with the terms and conditions of this Agreement.

It is expressly understood that projects or services commenced and/or completed prior to the beginning date of this Agreement are eligible for funding if allowed under the terms of this Agreement and applicable HUD regulations and guidelines.

B. Termination/Suspension for Cause

The OCD may, after giving reasonable written notice specifying the effective date, suspend or terminate this Agreement in whole or in part if the Grantee materially fails to comply with any term of this Agreement, which shall include, but not be limited, to the following:

1. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may be applicable at any time;
2. Failure, for any reason, of Grantee to fulfill in a timely and proper manner the obligations under this Agreement;
3. Submission by Grantee of reports to the OCD, HUD, or either of their auditors, reports that are incorrect or incomplete in any material respect, provided Grantee is given notice of said failure and fails to correct the same within a reasonable amount of time; or
4. Ineffective or improper use of funds as provided for under this Agreement.

If, through any cause, Grantee shall otherwise fail to fulfill in a timely and proper manner, its obligations under this Agreement, or if Grantee shall violate any of the covenants, agreements, or stipulations of this Agreement, the OCD shall thereupon

have the right to terminate this Agreement by giving written notice to Grantee of such termination and specifying the effective date thereof, at least thirty (30) days prior to the effective date of said termination.

C. Termination for Convenience

The OCD may terminate the Agreement in whole or in part at any time by giving at least thirty (30) days prior written notice to Grantee. Grantee shall be entitled to payment on requests submitted up to the date of termination contained within the notice, to the extent that requests represent eligible activities satisfactorily completed and otherwise reimbursable under the terms of this Agreement.

D. Termination Due to Unavailable Funding

The continuation of this Agreement is contingent upon the appropriation and release of sufficient funds to the OCD to fulfill the requirements of this Agreement. Failure of the appropriate authorities to approve and provide an adequate budget to the OCD for fulfillment of the Agreement terms shall constitute reason for termination of the Agreement by either Party. Grantee shall be paid for all authorized services properly performed prior to termination.

E. Obligations Governing Use of CDBG Funds Survive Termination

Termination of this Agreement under any of the foregoing provisions shall not alter or diminish Grantee's obligations governing the use of CDBG funds under applicable statutes and regulations or under this Agreement and/or terminate any of Grantee's obligations that survive the termination of this Agreement. Such obligations and/or duties may include but are not limited to the following: (1) duty to maintain and provide access to records; (2) duty to monitor and report on the use of any funds expended or awarded to Grantee in compliance with all terms, conditions and regulations herein; (3) the duty to enforce compliance with terms of grants or loans issued by Grantee under this Agreement; (4) the duty to monitor, collect and remit program income, if applicable, and (5) the obligation to return funds expended in contravention of applicable statutes, regulations and the terms of this Agreement. This provision shall not limit or diminish any other obligation that by its nature survives termination of the Agreement (i.e. indemnification, etc.).

F. Payment Upon Termination

Except as in the event of termination or suspension for cause, Grantee shall be entitled to payment on invoices submitted to the OCD no later than ninety (90) days from the date of termination contained within the notice, to the extent that requests represent eligible activities satisfactorily completed during the term of the Agreement and otherwise reimbursable under the terms of this Agreement.

IV. ADMINISTRATIVE REQUIREMENTS

A. General Administrative Requirements

Grantee shall comply with 2 CFR Part 200 “Uniform Administrative Requirements, Cost Principles, And Audit Requirements For Federal Awards”, as modified by 24 CFR 570.502(a), “Applicability of uniform administrative requirements.”

B. Financial Management

Grantee shall administer its Project in conformance with 2 CFR 200. Grantee also agrees to adhere to the accounting principles and procedures required therein, utilize and create adequate internal controls, and maintain necessary source documentation for all costs incurred. These principles and procedures shall be applied for all costs incurred.

- h. Other records necessary to document compliance with 24 CFR 570.604, regarding environmental requirements.

2. Retention of Records

Grantee shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of five (5) years after closeout of OCD's federal grant providing the Grant Funds. Grantee will be notified of that closeout date by OCD.

3. Access to Records

The OCD, the Division of Administration ("DOA"), the State Legislative Auditor, the Federal Government (including HUD, FEMA, HUD OIG, FEMA OIG, and the Comptroller General), the state Office of Inspector General, and any of their duly authorized representatives or agents, shall have access to any books, documents, papers and records of Grantee which are directly pertinent to this Agreement for the purpose of audits, examinations, and making excerpts and transcriptions.

Grantee shall provide citizens with reasonable access to records regarding the past use of CDBG funds, consistent with applicable state and local laws regarding privacy and obligations of confidentiality.

Legal client file records shall be maintained in such a fashion that confidential attorney client communications are segregated and that narrative time entries, if any, in financial records are entered in such a fashion that they do not reveal attorney client communication, so that case files and time entries allow, to fullest extent possible, review of that information for monitoring and auditing purposes.

4. Close-outs

Grantee's obligation under this Agreement shall not end until all close-out requirements as set forth in 24 CFR 570.509, "Grant closeout procedures," are completed. Grantee and its contractors and sub-recipients shall comply with all relevant provisions of

state law pertaining to audit requirements, including LA R.S. § 24:513 et seq. Any deficiencies noted in audit reports must be fully cleared within thirty (30) days after receipt by Grantee, contractor and/or sub-recipient, as appropriate.

Failure of Grantee and/or its contractors and sub-recipients to comply with the above audit requirements will constitute a violation of this Agreement and may, at the OCD's option, result in the withholding of future payments and/or return of funds paid under this Agreement. Grantee and its contractors hereby agree to have an annual audit conducted in accordance with current State policy concerning Grantee and its contractor's audits, and 2 CFR 200.

A quasi-public agency or body as defined in LA R.S. 24:513A(1)(b) shall comply with the provisions of LA R.S. 24:513.H(2)(a) by designating an individual who shall be responsible for filing annual financial reports with the legislative auditor and shall notify the legislative auditor of the name and address of the person so designated.

This requirement is in addition to whatever state and local laws may apply to procurement by Grantee. It is agreed by the Parties that notwithstanding any specialized procurement rules which may apply under state law to Grantee, Grantee shall, for the purposes of expenditures to be paid or reimbursed under this Agreement, also comply with all applicable federal and state procurement statutes and regulations.

V. HUD/CDBG COMPLIANCE PROVISIONS

A. General Compliance

Grantee will comply with all applicable Federal, state, and local laws and Codes, and all applicable Office of Management and Budget Circulars <https://www.whitehouse.gov/omb/information-for-agencies/circulars/>. Grantee agrees to comply with the requirements of Title 2 of the Code of Federal Regulations, Part 200 (Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards), except that (1) Grantee does not assume the OCD's environmental responsibilities described in 24 CFR 570.604 and (2) Grantee does not assume the OCD's responsibility for initiating the review process

under the provisions of 24 CFR Part 52. Grantee also agrees to comply with all Other applicable Federal, state and local laws, regulations and policies governing the funds available under this Agreement to supplement rather than supplant funds otherwise available.

Grantee shall comply with and shall be responsible for insuring compliance of all construction contracts funded under this Agreement, if any, with any applicable mandatory contract language, including but not limited to:

7. Compliance with "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities", described in 24 CFR part 58.

Grantee has a continuing obligation to disclose any suspensions or debarment by any government entity, including but not limited to the General Services Administration (GSA). Failure to disclose may constitute grounds for suspension and/or termination of the Agreement and debarment from future contracts.

B. Discrimination and Compliance Provisions

Any act of unlawful discrimination committed by Grantee or its contractors, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this Agreement or other enforcement action.

C. Covenant Against Contingent Fees and Conflicts of Interest and Louisiana Code of Government Ethics

Grantee shall warrant that no person or other organization has been employed or retained to solicit or secure this Agreement upon contract or understanding for a commission, percentage, brokerage, or contingent fee. For breach or violation of this warranty, the OCD shall have the right to annul this Agreement without liability or, in its discretion, to deduct from this Agreement or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee, or to seek such other remedies as legally may be available.

No member, officer, or employee of Grantee, or agents, consultant, member of the governing body of Grantee or the locality in which the Project is situated, or other public official who exercises or has exercised any functions or responsibilities with respect to this Agreement during his or her tenure, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed in connection with this Agreement, or in any activity or benefit, which is part of this Agreement. Section 3 requires that to the greatest extent feasible, and consistent with existing Federal, state, and local laws and regulations—recipients must ensure that within the metropolitan area (or nonmetropolitan county) in which the project is located: (1) employment and training opportunities arising in connection with Section 3 Projects are provided to Section 3 Workers ; and (2) contracts for work awarded in connection with Section 3 Projects are provided to business concerns that provide economic opportunities to Section 3 Workers.

E. Program Income

1. Recording Program Income

Grantee shall submit a quarterly report to the OCD detailing receipt of program income, which is defined in 24 CFR 570.500(a).

2. Remittance of Program Income

All program income shall be remitted to the OCD pursuant to a schedule provided by the OCD, unless Grantee has received written approval from OCD for eligible program income activities to use the program income.

The use and disposition of immovable property, equipment and remaining Grant Funds under this Agreement shall be in compliance with all CDBG regulations, which include but are not limited to the following:

1. Grantee shall transfer to the OCD any Grant Funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Immovable property under Grantee's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives set forth in 24 CFR 570.208 until five (5) years after expiration of this Agreement (or such longer period as the OCD deems appropriate). If Grantee fails to use such immovable property in a manner that meets a CDBG National Objective for the prescribed period of time, Grantee shall pay to the OCD an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property. Such payment shall constitute program

income to the OCD. Grantee may retain real property acquired or improved under this Agreement after the expiration of the five-year period, or such longer period as the OCD deems appropriate.

3. In all cases in which equipment acquired, in whole or in part, with Grant Funds is sold, the proceeds shall be program income (prorated to reflect the extent to which funds received under this Agreement were used to acquire the equipment). Equipment not needed by Grantee for activities under this Agreement shall be (a) transferred to the OCD for the CDBG program or (b) retained by Grantee after compensating the OCD an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.

If Grantee is not the owner of the immovable property being acquired or improved, in whole or in part, with the Grant Funds, Grantee shall acquire sufficient interest and site control over the property to allow the use of CDBG funds for improvement of a non-owned property, within the timeframe mandated by any applicable award letter or within any timeframe established by OCD before or during this Agreement. Grantee shall submit the terms of such interest to OCD to confirm that the interests are sufficient. The interests shall be through a written agreement via authentic act with the owner of the immovable property acknowledging and consenting to the use restrictions required by 24 CFR 570.505 and as contained in this Agreement and agreeing that the property shall be bound by such use restrictions. In addition, if immovable property being acquired or improved, in whole or in part, with the Grant Funds is leased or subleased by Grantee to a third party, Grantee shall contractually insure that the lessee/subleasee is bound by the use restrictions contained in 24 CFR 570.505 and as contained in this Agreement.

VI. GENERAL CONDITIONS

A. “Independent Contractor”

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. Grantee shall at all times remain an “independent contractor” with respect to the services to be performed under this Agreement. The OCD shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers’ Compensation Insurance, as Grantee is an independent contractor.

B. Hold Harmless/Indemnity Contractors/Subcontractors

Grantee shall hold harmless, defend and indemnify the OCD from any and all claims, actions, suits, charges and judgments whatsoever that arise out of Grantee’s performance or nonperformance of the services or subject matter called for in this Agreement.

Nothing herein is intended and nothing herein may be deemed to create or confer any right, action, or benefit in, to, or on the part of any person not a party to this Agreement. This provision shall not limit any obligation which either party has to HUD in connection with the use of CDBG funds, including the obligations to provide access to records and cooperate with audits as provided in this Agreement.

R. Prohibited Activity

Grantee shall be prohibited from using, and shall be responsible for its sub-contractors being prohibited from using, the funds provided herein or personnel employed in the administration of the Project for political activities, inherently religious activities, lobbying, political patronage, nepotism activities, and supporting either directly or indirectly the enactment, repeal, modification or adoption of any law, regulation or policy at any level of government. The phrase “federal financial assistance” includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect federal funding. It will comply with 42 USC § 4012a, which requires that if the federal financial assistance is provided in the form of a loan or an insurance or guaranty of a loan, the amount of flood insurance required need not exceed the outstanding principal balance of the loan and need not be required beyond the term of the loan. If the federal financial assistance is in the form of a grant, the requirement of maintaining flood insurance on any dwelling on any part of the property in an amount equal to the lesser of 1) the value of the property less land costs or 2) the maximum amount of flood insurance available under the National Flood Insurance Program to the extent coverage can be obtained under the National Flood Insurance Program, shall apply during the life of the property, regardless of transfer of ownership of such property.

It will comply with all applicable flood insurance requirements contained in the Notice, which includes, but not limited to, compliance with 42 USCA § 4012a and 42 USCA § 5154a. Grantee, its recipients, and its sub-recipients must implement procedures and mechanisms to ensure that assisted property owners comply with all flood insurance requirements, including purchase and notification requirements described in the herein referenced federal statutes, prior to providing assistance. HUD does not prohibit the use of CDBG-DR funds for existing residential buildings in the Special Flood Hazard Area (SFHA) or “100-year” floodplain. However, Federal laws and regulations related to both flood insurance and floodplain management must be followed, as applicable. With respect to flood insurance, a HUD-assisted homeowner for a property located in a SFHA must obtain and maintain flood insurance in the amount and duration prescribed by FEMA’s National Flood Insurance Program. Section 102(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C.A § 4012a) mandates the purchase of flood insurance protection for any HUD-assisted property within the SFHA.

27. It will comply with the Farmland Protection Policy Act, 7 U.S.C.A. §4201 et seq., which requires recipients of federal assistance to minimize the extent to which their projects contribute to the unnecessary and irreversible commitment of farmland to nonagricultural uses.
28. It will comply with Sections 1012 and 1013 of Title X of the Housing and Community Development Act of 1992 (Public Law 102-550, as amended). The regulation appears within Title 24 of the Code of Federal Regulations as part 35 (codified in 24 CFR 35). The purpose of this regulation is to protect young children from lead-based paint hazards in housing that is financially assisted by the Federal government or sold by the government. This regulation applies only to structures built prior to 1978.
29. It will comply with the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. §6901, et seq.).
30. It will comply with the Clean Air Act (42 U.S.C. §7401, et seq.), which prohibits engaging in, supporting in any way, or providing financial assistance for, licensing or permitting, or approving any activity which does not conform to the State implementation plan for national primary and secondary ambient air quality standards.
31. In relation to water quality, it will comply with:
 - a. The Safe Drinking Water Act of 1974 (42 U.S.C. §§ 201, 300(f) et seq. and U.S.C. §349), as amended, particularly Section 1424(e) (42 U.S.C. §§ 300h-303(e)), which is intended to protect underground sources of water. No commitment for federal financial assistance can be entered into for any project which the U.S. Environmental Protection Agency determines may contaminate an aquifer which is the sole or principal draining water source for an area; and
 - b. The Federal Water Pollution Control Act of 1972, as amended, including the Clear Water Act of 1977, Public Law 92-212 (33 U.S.C. §1251, et seq.) which provides for the restoration and maintenance of the chemical, physical and biological integrity of the nation's water.
32. It will comply with HUD Environmental Standards (24 CFR, Part 51 and 44 F.R. 40860-40866).
33. With regard to wildlife, it will comply with:
 - a. The Endangered Species Act of 1973, as amended (16 U.S.C. §1531 et seq.). Federally authorized and funded projects must not jeopardize the continued existence of endangered and threatened species or result in the destruction of or modification of habitat of such species which is determined by the U.S. Department of the Interior, after consultation with the state, to be critical; and
 - b. The Fish and Wildlife Coordination Act of 1958, as amended, (16 U.S.C. §661 et seq.) which requires that wildlife conservation receives equal consideration and is coordinated with other features of water resource development programs.

Signing these assurances means that Applicant/Grantee/Sub recipient agrees to implement its program in accordance with these provisions. Failure to comply can result in serious audit and/or monitoring findings that require repayment of funds to the State or expending Applicant/Grantee/Sub recipient funds to correct deficiencies.
