Please distribute this memorandum internally and to your field operations as deemed appropriate. For your convenience, this OSP memorandum may be accessed on our website at the following URL: <http://www.doa.la.gov/dao/osp/agency-resources/>.

Thank you for your continued cooperation in this and all matters. If you have any questions, please do not hesitate to contact this office.

Fiscal Year 2022 Labor & Materials Shopping Carts (Purchasing)

- Submittal Deadline Date: **March 4, 2022**

Fiscal Year 2022 Shopping Carts & Orders (Purchasing)

- Submittal Deadline Date: **April 1, 2022**

To ensure receipt of goods by June 30, 2022, all remaining Fiscal Year 2022 Shopping Carts are to be submitted to the Office of State Procurement by the above deadline date. Shopping Carts for Fiscal Year 2022 which are submitted after the deadline date may require the agency to take the necessary measures to carry forward Fiscal Year 2022 funds or to provide Fiscal Year 2023 funds in the event a June 30, 2022 delivery requirement is unrealistic and/or precludes competition.

Fiscal Year 2022 Professional Contracts

- Submittal Deadline Date: **May 13, 2022**

In order to ensure approval of all Fiscal Year 2022 Contracts/Amendments by June 30, 2022, they must be received in our office via PROACT or LaGov by the above deadline date, accompanied by all required documentation and with all appropriate approvals.

LaGov approvals for Fiscal Year 2022 must be entered by June 22, 2022, to ensure contract encumbrances are completed. LaGov purchase orders with end dates of June 30, 2022, which are not extended by amendment will become inactive after that date.

Agencies are responsible for taking the necessary steps to carry forward any Fiscal Year 2022 funds into the next fiscal year. Any questions regarding this matter should be directed to the appropriate budget/finance office for clarification.

Fiscal Year 2023 Shopping Carts & Orders (Purchasing)

Agencies may enter Fiscal Year 2023 Lead Time Shopping Carts and/or Orders that are deemed critical by the Agency at any time. However, the Agency should remember that new obligations will bypass the encumbrance process until the Fiscal Year 2023 budget is loaded.

The following Special Clause is to be added to all Fiscal Year 2023 solicitations:

Please be advised that delivery cannot be made prior to July 1, 2022. Any orders resulting from this solicitation will be paid with new Fiscal Year funds, if appropriated by the legislature. Delivery cannot be made prior to July 1 and your bid prices must be firm for acceptance and delivery accordingly. (DocBuilder Element Z0S611_SP_New_FYFund may be referenced.)

Release of Fiscal Year 2023 Purchase Orders (Purchasing)

Agencies should not request early release of Fiscal Year 2023 Orders unless they are critical to the Agency and the funding is expected. All other Fiscal Year 2023 orders will be released at the beginning of Fiscal Year 2023.

Fiscal Year 2023 Professional Contracts

Fiscal Year 2023 Professional Contracts may be submitted at any time, as OSP-PC approval of next Fiscal Year contracts is always contingent upon funds being appropriated by the Legislature. Agencies are encouraged to send these in as early as possible to avoid a backlog of contracts at the beginning of Fiscal Year 2023 and to facilitate prompt payments to those contractors providing continuing services.
