

# DECLARATION OF EMERGENCY

## Office of the Governor Boxing and Wrestling Commission

Class "B" Wrestling  
(LAC 46:XI.Chapter 5)

The Boxing and Wrestling Commission does hereby exercise the emergency provisions of the Administrative Procedure Act, R.S. 49:953(B). By this Emergency Rule, the commission will amend Chapter 5, Subchapter B. Class "B" Wrestling to provide small event wrestling promoters relief from the responsibility of verifying bloodwork lab reports. This responsibility was formerly held by ring doctors and/or event coordinators under Chapter 1, General Rules. Due to the promulgation of R.S. 4.83(B) in 2018, Class B events are not required to have a doctor, event coordinator or commissioner in attendance at these events to review and verify bloodwork lab reports to ensure the validity and negative results of HIV, Hepatitis B and C. The commission will provide an avenue for collection of these Class "B" lab reports and establish a database whereupon the commission will become responsible for the review and verification of these lab reports for a fee of \$150 per event. The database will contain no personal medical information. This database will be restricted to the name of the contestant, date of blood testing, the negative or positive results and expiration date so as to track when contestants require new testing every six months in accordance with §108.A, Medical Requirements under this Title.

This Emergency Rule is effective June 20, 2020, and will remain in effect for a period of 120 days, unless renewed by the commissioner or until adoption of the final Rule, whichever occurs first.
