## GUSTAV/IKE ACTION PLAN AMENDMENT 27

### **Amendment Number 27 to State of Louisiana Action Plan for Disaster Recovery – Utilizing Funding from the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009 (Public Law 110-329).**

The State of Louisiana was allocated a total of \$1,093,212,571 for recovery from hurricanes Gustav and Ike.

Since the original submittal of the state's Disaster Recovery Action Plan to HUD on January 8, 2009, the state has received several approvals of subsequent Action Plan Amendments for programs designed to receive CDBG disaster funds. This **Action Plan Amendment 27** is being submitted to HUD for approval of the reallocation of funds from the *Allocation to Parishes* program to the **Coastal Communities Restoration** program. The reallocation of funds are intended to correct the movement of funds and provide clarification for the *Coastal Communities Restoration* program.

This APA 27 is considered non-substantial because it does not create new programs, does not change eligible beneficiaries and is less than a 15% change in funding levels.
