#### I. PHILOSOPHY:

It is the intention of the Division of Administration to demonstrate our commitment to a safe working environment, to motivate employees to accept the additional responsibility for achieving a safe working environment, and to reward Section Safety Managers for agreeing to devote the additional time and attention it takes to achieve the goals of the Division of Administration's Loss Prevention Program.

This policy shall apply to all Section Safety Managers over general safety in the Division of Administration.

#### IV. DEFINITIONS:

**Agency** - For purposes of this policy the Division of Administration is an agency.

**Annual/Year** - For purposes of this policy, the terms "annual" and or "year" shall refer to the Loss Prevention audit period of twelve months commencing July 1 of each calendar year.

**Section Safety Manager** - Employee appointed by a section head to implement and manage his/her section's safety program. The Section Safety Manager is the liaison between the section head and the DOA Safety Coordinator.

**DOA Safety Coordinator** - Individual appointed by the Commissioner to develop, implement and coordinate the Safety Program of the Division of Administration with the authority of the Appointing Authority.

#### V. BACKGROUND:

Act 11 of the First Extraordinary Legislative Session of 1998 requires "the Office of Risk Management, Loss Prevention Unit to audit each agency every three (3) years, with a re-certification review performed annually." Each section within the Division of Administration must pass the audit in order for the Division to receive a credit certification as provided in Louisiana Revised Statute 39:1536(B). If the DOA receives a re-certification, the Office of Risk Management is authorized to apply a credit of five per cent (5%) to the agency's annual self-insurance premium paid per line of coverage. If the Division of Administration fails to receive certification by the Loss Prevention Unit, it shall be liable for a penalty of 5% of the agency's annual self-insurance premium paid per line of coverage.

#### VI. ELIGIBILITY CRITERIA AND RESTRICTIONS:

- A. The employee must have served as Section Safety Manager for a period of at least 6 months prior to the audit by the Office of Risk Management (ORM), and
- B. The employee must have timely submitted all documents and reports required, and have met all recordkeeping requirements as delineated by the DOA Safety Coordinator, and
- C. The employee must have passed the Office of Risk Management's annual agency re-certification review or agency audit.

No more than \$200 will be awarded in each fiscal year. This reward shall not be a part of the employee's base pay, but rather shall be a lump sum reward.

All rewards shall be dependent upon availability of funding. Should funding be unavailable in a fiscal year, employees approved by the appointing authority to receive an award may be considered for payment in a subsequent fiscal period should funding become available.

Nominations for rewards will be made by the DOA Safety Coordinator and must be approved by the Appointing Authority.

#### **VII. GENERAL PROVISIONS:**
