## **A. Summary of Changes**

The purpose of Action Plan Amendment 20 is to reduce the allocations of multiple programs, using those funds to increase the budget for the Middle Market Loan program. The increase to the Middle Market Loan program is intended to provide more gap assistance for construction that will continue to benefit LMI renters. This amendment will further clarify the administration and distribution of funds for the Pecan Acres Resettlement Program, the High-Risk Community subset of the Solution 4 Restore Louisiana Homeowner Assistance Program (RLHP).

This APA is considered substantial, as it involves the re-allocation of more than \$5 million dollars or a re-allocation which constitutes a change of 15 percent or greater of a program budget. This amendment also results in a change in program benefits.

<b>National Objective</b>	<b>Urgent Need or benefit to low-to-moderate income persons</b>
<b>Program Budget</b>	<b>\$1,059,716,475.00</b>
<b>Per Property Award Cap</b>	<b>Increase from \$200,000.00 to \$300,000.00</b>

**Budget change summary:** The state has determined there is a need to increase the per property award cap for the twenty (20) newly built homes in Pecan Acres to \$300,000.00. Action Plan Amendment 11 addressed technical clarifications in the eligibility of the High Risk Community properties and allowed rental property and vacant lot owners to participate in the program in order to achieve a more comprehensive community buyout tied to an organized retreat from an area prone to repetitive flooding. The homeowners and rental property owners who chose to move into the newly built community are not subject to the program’s \$200,000 per-property award cap, as their award levels are based upon the appraised value of the newly built homes. Due to the increased cost to build and subsequent market adjustment, the appraised value of the resettlement properties and thus the award amounts are calculated above the \$200,000 cap. This Action Plan amendment raises the cap to \$300,000.00 for the newly built homes in Pecan Acres.
