

Exclusions:

The State of Louisiana, Office of State Procurement, reserves the right to narrow or expand the categories of goods and/or services available to be prospectively offered through this Participating Addendum, State Contract Number 4400021682, at its sole discretion, by amendment and/or unilateral written notification to the Contractor, at any time. The State may elect to make the categories of goods and/or services available through this Contract to be more restrictive than set forth in the Master Agreement.

Exclusions: IT software and hardware, other than external peripherals; Printers, copiers, and multi-function devices;
Desks, tables, chairs, bookcases, cabinets, and shelving systems;
Industrial and large scale cleaning and janitorial supplies other than typical breakroom/classroom needs;
Lab supplies; and
Copy paper orders in excess of 10 cases per order.

Inclusions: All authorized elements of the Master Agreement not herein excluded.
